

Convict Trash

Run 1758: 27th July 2020

Hare: SLAP - Sylvania

Starters Gun

Wet, Wild, Cold and Dark. Just a perfect evening for a Run.

Dutifully, we all provided personal details to the bored barmaid before joining **SLAP** at the table for 10.

Lyndsay had found her way over from Ramsgate, Runners, **Dundee**, **Cold Duck**, **Grewsome**, **Scotch Mist**, **Bingo**, **Cameron** and **Andrew** quizzed **SLAP** about the trail; "Best run this side of COVID" he bragged.

Walkers **Dirty Weekend**, **StopCock**, **Sniffer**, (The still injured) **Merkin**, **Ringless**, **Cannon Mouth** and **Bower Bird** were all looking forward to getting wet. NOT.

"A 20 minute run around the block" **Bingo** begged but **Duck**, keen on a 60 minute workout, took the lead out the Hotel Entrance assuring us all that he knew the area like the back of his hand.. and we were off.

Run Report

Covid's Cruel Communion

Anonymous had, apparently decided to no show after she said she was going to attend the Easterners walk/talk so, by being the last to take a step backwards, I was nominated to write the run report. At least this one won't feature rubbish remarks and filthy adjectives about me.

Slaps Slippery Sylvania Slop

The heavens had opened and closed for a very short period as 17 sodden souls signed **Slaps Slippery Sylvania Slop** (how about that for alliteration) all non-eager to venture back out into the mire. **Duck** had arrived in shorts and T shirt as usual and **Dirty** had arrived like she'd just visited Antarctica but had removed the earmuffs. **Duck's** shorts were the same ones he keeps pulling up every few steps, can one of you harriettes add some elastic for the poor old bugger?

The **Grewsome/Scottish Mist** clan arrived as we were still pondering the benefits of becoming completely soaked for the sake of pretending we can still run; (I put in a semi colon for **Bingo**) so there was no further conjecture and we headed out, sans map, led by **Duck**. Across the car park to that street that runs from the highway down to that other street that runs down to Port Hacking Road, we turned left and then right into that last street towards the **Slap** abode.

Left up Sylvania Road we noticed an arrow pointing the way we had just come and realised we were going to run the trail in the opposite direction, which **Slap** had set. **Slap** reckoned he'd set the run with plenty of arrows and flour but nobody believed him until we encountered a big blob of flour outside the Sylvania Heights Pubic so we decided to pretend to check at the next corner.

Heading further south along Sylvania Road to Holt Road **Duck** was pondering trying to send us up towards his abode because he wanted everyone to know the steepness of the hill but **Dundee** and **Andrew** were having none of that nonsense and headed east to the Bellingara Netball courts then up to Bellingara Road, which has the same name as the netball courts for some reason.

Andrew had been joined by his brother **Cameron**, who had sustained a knee knock, which would have debilitated any of the old bastards but he continued on as if in no pain because, I think his mother called him

a sook or something. Another check on Port Hacking Road, then a quick sprint back to the Pub saw a small and dishevelled group appear for dinner.

Excellent run **Slap**, would give it at least 5 out of 10.

On On **Dundee**.

RA's Report

Cold Duck would have delivered the following socioeconomic dissertation:

St Peters (East Run)

- Suburb named after St Peters Anglican Church - opened in 1838 - still there - on highway just north of Southern Cross Pub.
- Southern Cross Hotel is a local icon - back in 70's and 80's had lunchtime stripshows (so Dundee tells me)
- Is the entry/exit point for new M8 Motorway - up Canal road where it meets Gardeners Rd.
- Qas home to huge Brickworks, where Sydney Park is - closed in 1940's - became a rubbish tip.
- Town and Country pub in St Peters - on Unwins Bridge Rd. Famous in Slim Dusty's song Duncan "I love to have a beer with Duncan
- Average house price \$1.4 Million.

Sylvania (South Run)

- God's country.
- "Sylvan" means wooded area.
- 4 claims to fame:
 - **Sylvania Waters** – turned from Swamp into homes in a water environment – opened in 1963 – me and my mates played in the Swamp when we were kids – famous (?) TV Show – "Sylvania Waters" – a local dysfunctional family
 - **Pauls Hamburgers** – on southern side of Tom Ugly's Bridge - opened in 1957 – people come from all over Sydney to buy a Burger
 - **Tom Ugliers Bridges** – original one opened in 1929 – "new" Bridge opened in 1987
 - **Haven for Famous people** – Glenn Stevens (ex Reserve Bank Governor), Angus Young (AC/DC), Sony Bill Williams (Kiwi dickhead), Cold Duck and Dirty Weekend, SLAP and Wild Turkey
- Average House price \$1.2 Million
