Hare: Bingo – Caringbah Hotel

Starters Gun

As the pack gathered the hare who had been anxiously looking at the sky for the past half an hour breathed a sigh of relief because the rain had held off and not washed away the trail.

Even better, the clouds had moved north to less important parts of Sydney where there we weren't having a Hash Run.

Welcome back to Stop Cock and Sniffer Dog who have been absent the past few weeks away holidaying in their vans.

I read that the Bucket was going to be in Library car park which is where I was waiting only to realise the run was starting from the Hotel.

Anyway we set off on a nice jaunt that took us through Woolooware, Buranneer Bay and Caringbah South. A well set run, lots of arrows, checks and on backs, that kept the pack together, a couple of runners short-cutted, and the entire pack had a short cut toward the end of the run, making the run about 7k long.

Awarded a 7 out of 10, plus extra for all the hills so the final score 9 ½ out of 10

- And, even produced St George players eg. Kyle and Chase Stanley
- Cricket Moises Henriques, current Australian player. Andrew Hilditch, Australian Captain and Selector in the 70's.
- Swimmers Simon Cowley and Craig Stevens
- Soccer- Michael Neil

Run Report

After a little confusion at the start I finally managed to find the hare and receive instructions on what promised to be a 9km run around Caringbah (SOUTH).. I caught the pack just in time to offer DoubleBangher a short cut avoiding the John Dwyer oval loop - the pack kept together through the next section with a long on back down Dolans road allowing Tickle & Scotch Mist to lead the pack into Burraneer Park.

We then looped though a number of back streets and an interesting reserve (Waterbird Bushland), unfortunately no water birds were spotted by the TM but we did manage to find our way between 3 backyard tennis courts and back to Saunders Bay road. At the junction of Port Hacking road the short cutters (Duck included) decided to follow their noses straight to the bucket whilst the real runners (including Merkin & Sir Les) headed west towards Willarong Rd - we were straight back on the next block and the only runners silly enough to cross Port Hacking road again were Cameron, Hot Dick & the TM!

We have received the following email from OS and Wagga Rod

Hi All,

This is a 'Save the Date' email.

Dates are 17-20 March 2023.

OS and Wagga Rod are in the process of early planning for another relay..... almost 5 years since the 50th Relay (and last relay) at Lightning Ridge.

We feel that it would be most appropriate to commemorate what would have been Darwin Don's 100th birthday.

As he was declared the relay Patron at 'Pass the Port' relay in 2003 at Port Macquarie we intend to return to the scene (Port Macquarie) and follow his famous wise words 'Never Pass a Toilet'.

This is well in advance but we wanted to claim the date as it cannot be any other date.

Details to follow – later in the year.

Regards OS & Wagga Rod

Why isn't there a pregnant Barbie doll? Ken came in another box.

Elderly couple in church. Wife turns to husband and says "I've just done a silent fart, what should I do?" Husband says "put new batteries in your hearing aid!"

What's the difference between a tire and 365 used condoms? One's a Goodyear. The other's a *great* year.

A <u>family</u> was driving behind a garbage truck when a dildo flies out and thumped against the windshield. Embarrassed, and to spare her young son's innocence, the mother turns around and says, "Don't worry, dear. That was just an insect." "Wow," the boy replies. "I'm surprised it could get off the ground with a cock like that!"

What's the difference between your boyfriend and a condom? Condoms have evolved: They're not so thick and insensitive anymore.

What is 6 inches long, 2 inches wide, and drives a woman wild?

He turned to her, ran his hand up her thigh across her belly & down her legs. When he turned back to watch TV she asked "Why stop?" "Found remote!" he replied.

A man and a woman started to have sex in the middle of a dark forest. After about 15 minutes, the man finally gets up and says, "Damn, I wish I had a flashlight!" The woman says, "Me too, you've been eating grass for the past ten minutes!"

Phone Etiquette

After a tiring day, a commuter settled down in his seat and closed his eyes. As the train rolled out of the station, a woman sitting next to him pulled out her mobile phone.

She started talking in a loud voice: "Hi sweetheart. It's Sue. I'm on the train." "Yes, I know it's the six thirty and not four thirty, but I had a long meeting.

No, honey, not with that Kevin from the accounting office. It was with the boss. No sweetheart, you're the only one in my life.

Yes, I'm sure, cross my heart!"

Fifteen minutes later, she was still talking loudly. When the man sitting next to her had enough, he leaned over and said into the phone,

"Sue, hang up the phone and come back to bed."

Sue doesn't use her mobile phone in public any longer

Look closely and see what you see. This is a very clever ad!

Subject: Interesting Colgate Ad

So let us hope you will notify me about the spinach in between my front teeth.

Do not glance at the end until you have looked at the three photos!

Pay close attention to each scene. Tricky Colgate has created a very ingenious advertising campaign to promote their dental floss.

But.... before I explain to you the main detail of these images, I will let you observe them quietly on your own.

COUPLE TWO

COUPLE THREE

All right! Now that you've had time to quietly observe the images!!!

- * In the first photograph, you might have noticed that the woman has six fingers on her left hand.
- * In the second photograph, a phantom arm is floating behind the man.
- * In the third photograph, the man has only one ear.

The campaign attained its purpose. It proved that food debris on your teeth draws more attention than any physical defect does.

How well did you do??

You failed the whole thing? So did I!

THE ANSWER
MAY NOT LIE

BOTTOM OF
A BOTTLE

BUT YOU SHOULD
AT LEAST CHECK.
