Run 1802 – 7th June 2021

Hares: Blondie & Goldmark – Alexandria

Starters Gun

A small group of only 13 Hashers took off at 6.30pm to pound the streets, but the group grew to 30 odd as runners and walkers, delayed by the traffic, arrived in dribs and drabs for a run in an area that we have not frequented lately on a brisk Winter night.

Run Review by Growsome

I arrived late with Cameron and Andrew and was told to go down 2 blocks and you should catch up with the pack, and I did. Enjoyed zigzagging through the laneways of Alexandria and Erskinville, went down one laneway and found a garbage bin, the pack was kept together. Well done for Goldie getting down all the arrows, and organising the run to end at the bucket so that the Bucket Masters, also arriving late, could catch up. Dish got roped into helping, and marked all the abnormalities in the payment so that no one would trip. Would like to give a HIGH score.

RA's Report –

Alexandria

- Named after the “Battle of Alexandria” in 1801, between the French & British
- The suburb was formed in 1868
- In 1943, Alexandria was the largest Industrial District in Australia, manufacturing everything from Bricks to Airplanes, and a number of Tanneries. There were 550 factories in a fairly small area

- O’Riordan Street which runs through the Suburb, was known as “Stink Street”.
- “Sydney Park” is in Alexandria – Sydney’s 3rd largest Park – it was originally a Swamp & Turpentine Forest – part of what is now the Park, was also a Brick Pit – with the Chimney Stacks still standing
- Parkview Hotel opened in 1898 – it was originally modelled on “an old English Tavern”.
- Local residents were outraged when it opened, as local gangs frequented other pubs in the area, with fights breaking out in the streets. A bit like Northies on a Saturday night.
- It was very much a working man’s area
- Average House Price \$1.7 Million – not sure it’s a working man’s area anymore!

Daffy Duck calls the hotel desk & asks for a condom.

They ask "Shall we put it on your bill" he says "are u thucking thupid I'll thuffocate!"

Paddy and his girlfriend had just got engaged and were driving to cork for the weekend.

Keep Calm And Oh Fuck It Enjoy Some Cuck

As she was driving paddy slipped his hand up her skirt.

"You know paddy, now we are engaged you can go a bit further if you want" she said.

"Fucking great" said paddy "Let's go to kerry".

Johnny wanted to have sex with a girl in his office, but she belonged to someone else.

One day, Johnny got so frustrated that he went up to her and said, "I'll give you a \$100 if you let me have sex with you. But the girl said NO.

Johnny said, "I'll be fast. I'll throw the money on the floor, you bend down, and I'll be finished by the time you pick it up."

She thought for a moment and said that she would have to consult with her boyfriend.. So she called her boyfriend and told him the story.

Her boyfriend says "Ask him for \$200, pick up the money very fast, he won't even be able to get his pants down."

So she agrees and accepts the proposal. Half an hour goes by, and the boyfriend is waiting for his girlfriend to call.

A great dunny read coming your way again....

Finally after 45 minutes, the boyfriend calls and asks what happened.

She responded , “the bastard used coins!”

Management lesson:

Always consider a business proposal in its entirety before agreeing to it and getting screwed!
