

# Convict Trash

Run 1803 – 14<sup>th</sup> June 2021

Hare: Sir Les – Riverwood

## Starters Gun

As the usual suspects arrived, some having checked out the amazing Asian Supermarkets in Riverwood, and the menu of the Gai Hoi Vietnamese Restaurant, and realising it was BYO, took off for Aldi or BWS to buy some wine, not knowing the bucket had some bottles of Shiraz to sell.

All were back in time and waiting impatiently for 6.30pm to come so they could take off. Hannibal Lector was keen to find the location of a brothel that he had heard about.

## Visitors - Sandra Dee, Peter and Curtseying

### Run Review by Dundee

Sir Les has set a couple of runs at Riverwood previously, so in Winter I did not think he would take us through any parks, well I was wrong. Off we went towards Narwee, we had 3 on-backs in a row, and then we got to Narwee into the parkland area we went, got lost in a gazebo. I was thinking 'let's run all the way to Padstow' but we started to head towards home and encountered some bush. I finished up behind everyone else but I will still award the run 9 out of 10.

## RA's Report –

### Riverwood

- Originally called Herne Bay
- During WWII, the area housed a huge Army Hospital for the US Army – it had over 4,000 beds, in 490 Barrack type buildings – huge
- General MacArthur visited the Hospital during the War, as did First Lady Eleanor Roosevelt and comedian Bob Hope
- A lot of the streets in the area reflect the US presence – Pennsylvania Road, Kentucky Road, Truman Avenue and Idaho Place, to name a few
- After the War, the Huts became Public Housing – Housing Commission

- As a result, the suburb developed an unsavoury reputation for Poverty, overcrowding, crime and violence
- To alleviate this, the local council held a competition in 1957 to change its name
- And the winner was Riverwood
- Currently only 39% of the population was born in Australia
- Average House price is \$1,055,000

## Now here's a man who understands women.....

William Golding  
British Novelist, Playwright & Poet  
1911 --1993

I think women are foolish to pretend they are equal to men. They are far superior and always have been. Whatever you give a woman, she will make greater. If you give her sperm, she will give you a baby. If you give her a house, she will give you a home. If you give her groceries, she will give you a meal. If you give her a smile, she will give you her heart. She multiplies and enlarges what is given to her. So, if you give her any crap, be ready to receive a ton of shit!
