

Convict Trash

Run 1804 – 21st June 2021

Hare: Hellismellher – Taren Point

Starters Gun

A very cold Monday night saw an exclusive group in their black and orange fashion jackets gathering inside the Taren Point Bowling Club, most of who were probably thinking “Why am I going to go outside to run or walk in this weather. I must be insane.” Probably!!

Run Review by Joker

We started off with On back, and then we went straight and on, straight and on, straight and on, then we went through the back blocks of Taren Point. A very satisfactory run.

RA's Report –

Taren Point

- Originally known as Comyn's Point, after a local land owner

It is not known where the term “Taren” came from ?

The whole area was originally owned by Thomas Holt, who owned nearly all of the Shire

Hence the Road that connects Taren Point Road and the Bowling Club being “Holt” Road

Most famous aspect of the suburb is “Captain Cook Bridge” or Taren Point Bridge to the locals

It opened in 1965 and replaced a Punt, or Car Ferry that ran between Taren Point and Sans Souci from 1911

Yours truly rode his Dragster pushbike over the Bridge on opening day

Taren Point was settled in 1911 – before that it was occupied by Fishermen and Oyster Farmers

The Bowling Club opened in 1956

At that time, Sylvania Waters was still a Swamp

Average House price \$1.7 Million

Next Weeks' Run Hare - Venus – Caringbah

Meet at Caringbah Library, 376 Port Hacking Road. Also for the Bucket then proceed to the Caringbah Inn, corner Kingsway and Port Hacking Rd

Here is the menu for your contemplation. There might also be specials on Monday night.

Prickette

Blondie nominated Dish who when on her way on the Ghan from Alice Springs to Darwin thought she had a towel but had to use the hand towel to dry herself

Prick

Grewsome nominated Duck for not realising Dish was in the Circle

Hannibal Lector nominated Doc as when we were in the Club prior to the run, Doc was asking which night is the Lingerie night

How is it that our memory is good enough to retain the least triviality that happens to us, and yet not enough to recollect how often we have told it to the same person?

What do you call a useless piece of skin on a penis?
A man.
