

Convict Trash

Run 1805 – 11th October 2021

Hares: Slops – Kogarah

Hot Dick - Randwick

Starters Gun

Upon arrival at the Kogarah Tavern, the room was abuzz with everyone saying hello and catching up on each other's news.

Who had been where?

Who had been overseas?

The runners Cold Duck, Growsome, Scotchmist, Andrew & Cameron, Merkin, Pig and Sir Les were quick to take off when time was called. Doublebanger and Hellismeller arriving late caught up with the pack.

Dundee and Bingo, both incapacitated at the moment and unable to run joined the walkers, Bowerbird, Cannon, Dirty Weekend, Grenade. QR, Slotcard, and the wild man from Borneo, Ringless sporting his Covid hairstyle.

Sniffer Dog and Stopcock arriving just in time joined the pack. Moa arriving later and also unable to walk, joined me in the pub to mind the bags and coats and talk important matters over.

Run Reviews

HOT DICK'S LONG ROUTE

A merry party congregated in and around the park in Randwick and when HOT DICK and ICE BOX arrived we headed off towards Randwick Racecourse. The trail then headed along the tram route towards Kensington Tech. DISH and TICKLE led the way and SPINIFEX unintentionally did a check. That was the first time that had happened.

Into the seat of higher learning where we saw GOLDMART'S peccadillo. DOC found trail and on to POW we headed.

GOON was interested in the medical waste bins while TAXING was desperate to reach the half way bucket.

BLONDIE shortcutted to make sure the circle area was acceptable. Reviving drinks consumed we headed through the Spot past all of the open restaurants and pub.

At the circle we saluted BIG EARS and engaged in open, frank and respectful intercourse.

BLONDIE was awarded the gender neutral opprobrium award and then we headed to Isabellas where we consumed half the Fish Market stock.

SLOPS WET DREAM RUN

Announcing that the rain had removed all the arrows that he put down, Slops informed the pack to exit the pub through the front door, TURN LEFT and run to the Allawah Hotel.

Once there TURN LEFT again down Elizabeth Street, follow Elizabeth Street into Swanns Lane and then Park Road to the Princes Highway. Once there TURN LEFT again.

Continue along the Princes Highway to Gloucester Street TURN LEFT and continue and then TURN LEFT yet again into Regent Street back to the Pub and the Bucket in its usual place.

Very simple instructions and surprisingly no one got lost and caught up by any false trails. About 7k i believe.

RA's Report –

No report this run but we did share some reminiscences about Big Ears and had a Minute of Silence in his memory.
