

# Convict Trash

Run 1814 – 13<sup>th</sup> December 2021

Hare: Dish and Goldie - Hillsdale

## Starters Gun

It was a wonderful sunny afternoon and Rhodes Reserve, what a beautiful park from which to start the run and have the Bucket.

Everyone was saying “we haven’t been here before” and we hadn’t, so this run must be a short runner for the best new venue.

Welcome back Spinifex – long time no see

## Visitors – Brengun and Climax

### Run Review by Pig

Beautiful area, lots of parks and green spaces to run through. It was an excellent run.

Dundee would have loved it, no hills, very flat, plenty of checks and on-backs. Saw roads that I hadn’t seen before. We passed the site of the new home ground for the Rabbitohs.

12 out of 10 for the after run nibbles.

Excellent distance, good weather. I shall award the run 9½ out of 10.

## RA’s Report –

### Hillsdale

- Named after former Deputy Premier, Pat Hills
- Was part of Matraville, until mid 1960’s
- Many soldiers returning from WW1 settled in the area
- Suburb originally called Gilmore, to honour Poet, Dame Mary Gilmore, who is on our \$10 note, but when told that there was already a town in NSW called Gilmore, they changed the name to Hillsdale

- There was a lot of Housing Commission homes in the area – it has not had a good name as a result.
- A well known Park in the area is Heffron Park, named after a local politician, Robert Heffron. It opened as a Park in 1972.
- Before that it was a Navy Store in WW2 and the Vietnam War, and then a hostel for Migrants
- It had the big domed corrugated iron buildings if anyone remembers ?
- Hillsdale Bowling Club opened in 1963
- Only 40% of the population were born in Australia – next is people born in Bangladesh, making up 6%
- Average House price \$1.65 Million

## **Prick**

For some reason apart from not having a heart, everyone nominated Duck – lay down misere.

Pig nominated Goon for walking with the women.
