

Convict Trash

Run 1881 – 03/04/2023

Hare: Sir Les - Riverwood

Starters Gun

The pack gathered in the carpark on Price Lane ... the first dark run for 2023, a nearly full moon and the glow from a single red light bulb created the ambience for Sir Les's run, romp and rampage around Riverwood. (Romp according to the Macquarie Dictionary can mean – to run or go rapidly & without effort, as in racing)

Run Report – Merkin

- a near replica of Sir Les's last run in the area but with just a few differences
- the M5 underpass created some confusion
- we zigzagged through the extensive parkland/sports field area (two B2H3 members were seen there walking/ jogging in the opposite direction to the set run)
- Score awarded – 9/10

Circle Report

- Astronauts can always see Riverwood due to the red hue the suburb emits
- It is a suburb of diverse busines
