

Convict Trash

Run 1882 – 10/4/23

Hare: Dundee – Allawah

Starters Gun

The pack assembled on the conveniently placed seating outside the Allawah Hotel. No memory loss here as everyone is seated 1.5ms apart looking like they are waiting for a bus... well they are directly across the street from the train station. All are waiting for Dundee's daring dash around the alluring Allawah...will he be the Hare, the Trail Master and the Run Reporter tonight???

Run Report – Sir Les

- * all went well as expected as we headed towards Carlton and not Kogarah??
 - *there were some very long, long hills
 - *arrows were hidden in shadows behind poles ...superior Hashing skills
- Score : 8.5/10 and so the Hare and the Run reporter were awarded a "prize" tonight ... a beer.

Circle Report

Allawah is a place of "flat homes", it has very few places to dine and absolutely no night life. However, just up the road in Kogarah you have places to dine, the Kogarah Tavern and Slops.

Prickette

- * Duck > Blondie – for multiskilling ... she can run and have a conversation on her mobile phone at the same time
- *Duck > Rabbit – for taking the lift and not the steps up to Carlton Station
- *Grewsome > Scotch Mist – for constantly reminding the boys to pack their bags for a run and she had to borrow his jacket tonight as she had not packed her own bag properly
- *Grewsome > Slottie – on a barmy evening she is in her big winter jacket huddled next to Scotch Mist and using a car as a wind break

Prick

- *Grewsome > Sir Les – at the Junction outside the Allawah Hotel ...asks where should I park the bucket ???

***Scotch Mist > Hannibal – for pointing out the little holes in the ground where ones feet could fall down (if their feet were the size of a small child not Hannibal’s)**

***Rabbit > Sir Les – “the problem is where is the bucket” (Sir Les)
“you are the bucket”(Rabbit)**
