Circle Report

Grewsome’s lost and found treasures –

Grewsome was visiting a friend on the weekend and while in his barn found an object that reminded him of his 22 year old self and hashing in the 20th century...back in the days when one had to have ones drink firmly attached to ones self due to the high risk of it being pilfered by another Hasher... and so Pig was reunited with his bugle which he had “aquired” from Bushranger Hash via Top Bunk.

Grewsome returned Merkin’s Police Officers hat that became “lost” at the AGPU

The RA’s special announcement -

Contributions for the Mothers Day raffle are being accepted ... “ladies things such as tea towels, knitting needles, Sherry and lavender bags”. Translated - ladies things such as Turkish bath towels, cashmere jumpers, Moet and vouchers for spa treatments.
