

# Convict Trash

Run 1897 - 24/7/23

Hare: Doublebanger – Location: Ramsgate

## Starters Gun

The flock were out in their yellow and black jackets again tonight ... a bit brisk. Sniffer graced us with her presence for a second time. Taxing joined us as she is back in Sydney for a short time. Sir Les snuck in under the cover of dark to park the bucket out of sight and now will be not seen again for a for a few weeks ... is he doing a how to park the bucket course in various places around NSW/Australia?

## Circle Report

Ramsgate.

Ramsgate. Gateway to the Shire. Home of the Intersection Tavern and a 30 minute walk from the Kogarah Tavern.

Perhaps one of the ugliest carparks in the world without any Norfolk Island pines that are displayed on the Intersection sign.

A trip to Mona in Hobart will reveal various exhibits alluding to what some people think about Ramsgate.
