

Convict Trash

Run 1900 - 14/8/23

Hare: Goldmark – Location: Allawah

Starters Gun

1900 runs = 1900 hares = 1900 circles = 1900 buckets = 1900 On Ons.

The pack assembled in the main bar of the Allawah Hotel ...easily located as most where resplendent in their gold and black jackets ... yet another cold and wet Monday night ... but that did not dampen the enthusiasm to celebrate the occasion ... so out into the rain they bolted, ran, trotted, strutted, scurried, walked, sauntered, ambled and shuffled.

Circle Report – Hannibal

Allawah is a good place for a run, so Professor of Languages DOC informed me.

That being the case all agreed the 1900th run was the best we have ever had.

Lovey from Gilligan's Island and the mother witch from Bewitched both thought so. How random is that.

Thanks to all who set the run particularly GOLDMART who also did the prizes, collected the money etc. Luckily we have members who are active, motivated and enthusiastic.

I look forward to the next 1900 runs.

On On HL.
