

Convict Trash

Run 1902 - 28/8/23

Hare: Dirty Weekend – Location: Banksia

Starters Gun

Storm clouds were brewing west of Banksia (not the purple ones Grenade) as Merkin arrived with a piece of gyprock and a set of runners headlights that illuminated half Banksia, disturbed the Idis sleeping in the trees and startled a whole train full of passengers heading south.

Circle Report

Banksia - the land of opportunity, home of the Rocksia, gentlemen's health clubs and interesting geographical features.

A place of hope, rainbows and hash trails. A place where DIRTY can set a fantastic trail and where DUCK can try and take the credit.

On On HL.

Run Report – Cold Duck

- *I was given a map of the run to set
- *it began with a very long hill with an on back up a very steep set of stairs - poor bloody runners
- *OK for boring and smelly old Arncliffe
- *a well set run
