

Convict Trash

Run 1908 - 9/10/23

Hare: Sniffer – Location: Taren Point

Starters Gun

The pack assembled in the carpark at Taren Point Bowling Club which noted by many who live north of Captain Cook Bridge is now known as The Point. The extra hour of sun light and warmer evening seems the have prised the B2H3 runners out of the woodwork with not a black and gold jacket to be seen.

Circle Report

When the F6 is extended to Taren Point in 30 years SNIFFER will set her next run at the Taren Point Bowling Club.

An off ramp from the F6 is planned to run straight into the club's carpark making it the go to nightlife venue in the area.

In 30 years time Taren Point will still be the jewel of the Shire and Monday night schnitzels will still cost \$16.00.
