

# Convict Trash

Run 1818 – 17<sup>TH</sup> January 2021

Hare: Hellismellher - Yarrawarra

## Starters Gun

What a perfect venue for a run and Home Cater, sparkling blue pool and soft green grass at Hellismellher and DoubleBangher's home in the hilly but beautiful suburb of Yarrawarra on a balmy Summer's night.

## Visitors – Climax

### Run Review by Merkin

There were a lot of hills, we went out the front, turned to the left and forged on, didn't see too many arrows, and we had self imposed Checks.

Run needed a few more stairs. Great run for the 5 of us who did it.

A score of 8 ½ out of 10 because it worked up a sweat and by the time we got back, we really needed the pool.

## RA's Report –

### Yarrawarra

- 
- Aboriginal for place of big wind machine
- 
- Actually, means "Mountain Ash" and is the name of a Ridge that runs between Heathcote and Waterfall

Area was originally known as North Engadine, and was first settled after WW1 by returning Solders and families moving outing of inner Sydney during the Depression

It was named Yarrawarra in 1971, so a fairly new suburb

Local residents and Councillors have been lobbying for many years to have a Train Station here without success, because the authorities believe both Loftus and Engadine Stations are not far away

Most famous resident, apart from Hellismellher and DoubleBangher is the Windmill at the Shopping Centre. It has a Facebook Page with 863 followers

It was pulled down in 2018 as it became unsafe, and was replaced with a new one

A lot of streets have been named after places in S.A. & W.A. – Nullabor Place, Carnarvon Street, Exmouth Place etc.

Average House Price \$1.5 Million

## Birthdays – Merkin, Brockie, and Dame Nellie

### Prickette

Dirty Weekend nominated Kizzme for forgetting Dame Nellie's Birthday

Merkin nominated Dirty Weekend – During the week, I was near her place and called on Duck to come and have a beer at Sharkies but Dirty Weekend was nowhere, so she didn't "come".

### Prick

Merkin nominated Dundee – he is going into hospital tomorrow, should be at home resting and not drinking alcohol (Dundee replied that this was his "Last Supper").

Duck nominated Dundee – an exchange of SMS's said he was going into hospital tonight but he is here

A great dunny read coming your way again....
