

# Convict Trash

Run 1896 - 17/7/23

Hare: Hellismellher – Location: Cronulla

## Starters Gun

Many of the usual suspects congregated in the carpark. Two who needed to do a little pee ended up not quite where they should have been ... they need to go to Specksavers. Sir Les completed his trifecta of precision parking of the bucket and Sniffer joined us for the evening as she passes through Sydney on her around the world holiday/Hash events marathon.
