Circle Report

Hannibal was having another well-earned rest after officiating for a couple of weeks & was experiencing a Religious Advisor festive congregation, where he was to become an honorary member of the society for religious pissheads. Accordingly our ever efficient & available GM called the group to order to disclose the notable aspects of the suburb Woollooware. Apart from the golf course, Shark Park & the railway station, the other most notable aspect was that it had become the crime capital of the world because an off duty copper was caught drink driving in the area. Rumour has it that the suburb is so bloody boring that the copper had been imported from Rozelle so they could put something in the local paper.

Run Report

Run reporter, **Canookie** was selected to complete the last rites over **Moa's** run, for which the RA advised was an excellent selection from the TM – it's called pocket pissing. We were informed that **Grewsome** had run past her 6 times during the run – must've been the perfume or he was just admiring her rear end & there were many land marks to be seen, which was amazing as it was a very dark night.

We ran past **Scotch Mist's** Golf Club, Shark Park, something about the First Fleet but if that was about Kurnell it was Cook's landing, the First Fleet landed in Sydney Cove I think, Manufacturing area & **Stopcock's** old factory & then **Merkin** decided to kiss the pavement so that made 6.

She awarded the run 9.8725 out of 10.

Bundanoon AGPU 2016

Bundanoon YHA is an Edwardian era guesthouse with sweeping veranda's for chilling on warm days, a crackling log fire in the lounge for when it's cold and green grassy grounds to lie on and watch the clouds go by. A very relaxed atmosphere makes it the perfect venue for our Botany Bay AGPU.

There is a well-equipped self-catering kitchen, including a big outside BBQ. There is a spacious dining room waiting for us and our dinner. Nine bedrooms sleeping up to 41. We are renting the whole YHA for the weekend. This gives us the whole house for exclusive use with a bonus late check out.

WHATS TO DO AROUND AND ABOUT BUNDANOON

Bundanoon is the gateway to the magnificent Morton National Park. With scenic lookouts over deep gullies and waterfalls, walks through rainforest and abundant wildlife, it has something to offer everyone. Not to be missed is an evening walk to the famous Glow Worm Glen. It is a must and it's free!!!

Stroll the village shops and cafes and take home jams and pickles from the local village markets. Play tennis or golf, swim in the community pool, visit the pub for some classic country ales or take away a pizza, fish and chips or a Chinese meal. Hire a mountain bike to explore the quiete country roads or extensive marked off road trails of Wingello State Forest.

Take a trip to local wineries, adventure at Bungonia or Wombeyan Caves, see historic villages of Berrima and Joadja. Absorb the natural majesty of Fitzroy Falls and the Illawarra Fly, a sensational tree top walk, or canoe on the Shoalhaven, Kangaroo and Wingecarribee rivers.

80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

Dundee's Rant of The Week

The Excitement of New Zealand

Ut wes made epper'nt during my r'cent trup to the Shaky Isles that ut hes become the lend of extunct enimels. One of particular note wes the Moa bird, which b'ceme extunct when it's last female survivor of the species ummugreted to Australia some years ego. She wes last seen ettempting to mate wuth an emu efter a long, late elcohol induced dinner but no eggs were found et the scene suggesting Moa may be unfertile.

It's most important in NZ for the public to be aware of non - opening days of trade.

Snickers' Serious Scientific Summations

Snickers is in the process of perfecting a robotic infrastructure into his methane plant, where the cleaning of the factory was creating asphyxiation problems for his staff. The robots will also be able to recycle the cow shit by condensing the product into blocks for open fireplaces to use similar to coal but with cleaner burning aspects & the added benefit of making your home smell like a barn.

Anyway has given her sanction to the project saying cow farts are preferable to Snickers.
