Circle Report

Hannibal began with an astounding announcement – this was to be the last run of the present committee – Oh no was the cry, **Pig** yelled send ‘em in again, as though he was playing cricket but the B2H3 constitution would remain, ensuring a new group would experience the pain & anguish.

His next pronouncement, once again, concerned the geographic proximity of Sutherland to the CBD being 25kms. Now this brought some concern from your scribe as last week he suggested Woolloomooloo was 29.6kms from JD’s, which suggests that Sutherland is 4.6kms closer to the CBD than the Loo is to Cronulla. It all depends on how one measures of course. If “as the crow flies” is the measurement then there could be some conjecture as to the difference but if one were to travel by car from the Loo to Cronulla via Rozelle & by car from the CBD to Sutherland via the airport then the conjecture is superfluous just like the above assessment. God I’m going to miss writing this rubbish.

He then began a long dissertation about the Shire from some brain dead poet or something, which was too long for me to follow with my lack of shorthand, which showed residents never leave because they don’t understand the language spoken in other parts of Sydney & tea towel heads aren’t allowed in the Shire. He also stated that he immediately becomes rejuvenated every time he crosses Tom Ugly’s bridge & that the weather is always good except when it’s bad & the reason for it being bad is it comes from somewhere else.

Run Report

Run reporter was the very vivacious & remarkable **Tickle** suggested she was apprehensive as to the evening’s run due to the inclement weather but was amazed as to the effort shown by the Hare & her ability to act as Trail Mattress as well. There was an attempt to set on backs by the scribe, who had been shown the map, when there weren’t any arrows. Unfortunately nobody followed him.

She then mentioned something about sheep, which I missed & talked about the bush part of the run, which was very scenic & ankle busting & because of the effort shown & the trail followed gave her 10 out of 10.

Visitors: - DNF, Oswaldo, Hell I Smell Her & Valerie from Canada.

Athletes: - Canookie – 150 all run

Birthdays: - None

New Shoes: - None

Prickette and Prick nominations

Dirty Weekend, Venus, Goldmark & Spinifex were nominated by **Duck** for something about shopping & why that was astonishing is beyond my comprehension as was why he was them in the first place.

Grenade was nominated by **Hannibal** for suggesting she spent the weekend trimming the cactus around her pond – I thought that was called a Brazilian.

Duck was nominated by **Dirty Weekend** for not shopping & by all the other harriers for bothering to spend time with 4 women anywhere near shops.

Pricks – Grenade & Duck

Jokes: - Rabbit told one but I missed it. She also mentioned a walk she intends to do next month & there'll be more in the Trash about it next week if she gets the info to the new scribe

Bundanoon AGPU 2016

Bundanoon YHA is an Edwardian era guesthouse with sweeping veranda's for chilling on warm days, a crackling log fire in the lounge for when it's cold and green grassy grounds to lie on and watch the clouds go by. A very relaxed atmosphere makes it the perfect venue for our Botany Bay AGPU.

There is a well-equipped self-catering kitchen, including a big outside BBQ. There is a spacious dining room waiting for us and our dinner. Nine bedrooms sleeping up to 44. We are renting the whole YHA for the weekend. This gives us the whole house for exclusive use with a bonus late check out.

WHATS TO DO AROUND AND ABOUT BUNDANOON

Bundanoon is the gateway to the magnificent Morton National Park. With scenic lookouts over deep gullies and waterfalls, walks through rainforest and abundant wildlife, it has something to offer everyone. Not to be missed is an evening walk to the famous Glow Worm Glen. It is a must and it's free!!!

Stroll the village shops and cafes and take home jams and pickles from the local village markets. Play tennis or golf, swim in the community pool, visit the pub for some classic country ales or take away a pizza, fish and chips or a Chinese meal. Hire a mountain bike to explore the quiet country roads or extensive marked off road trails of Wingello State Forest.

Take a trip to local wineries, adventure at Bungonia or Wombeyan Caves, see historic villages of Berrima and Joadja. Absorb the natural majesty of Fitzroy Falls and the Illawarra Fly, a sensational tree top walk, or canoe on the Shoalhaven, Kangaroo and Wingecarribee rivers.

So much to see and so much to do.

80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

Dundee's Rant of The Week

I've been reading a thought from one of our prestigious financial journalists of the probable Presidential leadership in the USA over 42 years, which he calls the Bushbamaton era. It reverts back to 1988 when the first Bush was elected & handed the reins to Bedroom Bill Clinton, who then passed the baton to George Doubya Bush, thence to Obama. The next President is most likely another Clinton, who will probably pass on to Michelle Obama – 42 years of Bushbamaton. Anyone who thinks the yanks have brains are delusional.
