Run 1572

Delay in sending out my first trash initially caused by Scotch Mist forgetting she had to send a run report. When I called to remind on Friday, she said "have to get home from cricket and cook dinner". Well, of course, two hungry boys come first! Either dinner or the run report better be good.... Then I forgot I had to reformat the trash, add in the new committee, couldn't find new year book and in between all that, I drank lots of wine, slept, relaxed, watched Flemington races then TV. Any complaints, tell your neighbour / police / local council / whinge to your dogs / cats / hamsters / birds / bees / whatever and I'll bet they don't care either 😊

***However**, huge apologies for those going on the seven bridges walk because the designated meeting place has not been notified via this trash in time, blame Dundee! Hoping modern technology (email/text) covered this glaring omission.*

I was feeling rather nervous for my first trial as TM and arrived at the pub with plenty of time to spare - to find a gaggle of hashers but no hare! I had realised on the way that I had forgotten to pick up the gyprock from the shed but hadn't had time to go back...

This did not appear to be a good omen. JJ arrived back with two versions of a map that seemed to go on for many pages and tried to tell me where the trail went on the google earth map - but sadly my memory is not that good! Fortunately, I was also provided with a "street map" which showed the trail, but as it was a bush run, not too many landmarks. She also provided me with a piece of gyprock.

The pack was eager to set off and we headed on to the golf course. Bingo managed to disturb some golfers by walking up the middle of the fairway, picked up their ball and paid no attention to the fact they were waiting for her to move - Blondie's calls to move were completely ignored. Trail was found on the road, and along we headed past the clubhouse and into the park. An on back near an oval and bandstand caused much confusion with the pack taking a while to find the correct trail - having tried to go on the home trail! With some assistance from the TM we were off and moving again. The trail weaved along the track by Foreshore Drive with an interesting pond crossing and several on backs, keeping the pack more or less together.

A long on back, with strange markings allowed the back markers (and TM) to direct the pack into the bush, where we continued on scenic sand trails. A sneaky check near some steps resulted in the pack being split. The front runners didn't return from their checking when the trail was found and had left the half way bucket before the rest made it over the bridge. Those who did make it to the bucket enjoyed a beautiful sunset over the Bay and a rather large Port left over from the AGPU.

The on home was across the golf course where the bucket in the Bus Shelter confused a number of drivers.

An interesting run, and as TM hopefully the others will be less challenging (in terms of map reading).

Circle Report

I ran out of flour for the last part of the run across the golf course so resorted to pancake mix (sorry, Jack..) then ran out of flour again and resorted to begging some off the chef at the Botany Bay Hotel. Not wanting to be greedy I ran out of flour again but by that time if the pack didn't know their way back, bad luck!! Anyone still out there???

Run Report

RA asked for any historical information for Banksmeadow (note to RA – do your fucking homework) so Sniffer put her hand up to say in days of old, before all this modern politically correct crap about sexism, as a junior Customers Officer, she was sent to the Botany Bay container terminal wearing a pencil skirt with a split up the back, stockings and high heels. As you can imagine she received a rousing reception and her job was counting balls of course. She was overwhelmed by male volunteers asking “while you are at it.....”

Run reporter was the very vivacious & remarkable PowerHouse (copyright infringed – no apologies). JJ threatened to have his guts for garters if he did not give her a decent run report. Funnily enough he did ☺. There was a lot of bush (spikey bits too) and a few wet spots. Some did take on the “Bear Grilles” challenge and fortunately no one fell in (decontamination unit not provided). Back to balls and Blondie telling the pack to leave the little white ones scattered around the course ALONE!!! Score: 9.69.

Prickette and Prick nominations

KIZZME – BLONDIE for yelling at **BINGO** to put down the golf ball she had just picked up – why? Because it was still “IN PLAY”

JJ – SLOTCARD – on Friday night, after consuming a wine or three could not find her bag (no, not QR, this was her actual handbag). “My bag, my bag” she cried several to a hundred times. JJ and QR went to search as Slotcard was too emotionally distraught to be of any use at all. Easily found parked on a chair. Did we hear a grateful “thank you”? No, it was another hysterical outcry - “My ears, my ears!” Should have been “My eyes, my eyes....” As for her ears, I told her she still had two, one on each side of her head, exactly where still where they should be and left QR to calm her down – if she could hear him.

DUCK – GRENADE who stayed at the Bundanoon hotel over the weekend and on the Friday night was the only woman at the bar surrounded by 8 blokes. Bad news is, they all left by 8pm.

DUCK – second nomination for **GRENADE** – she tried her hardest flirting with the chef all weekend, he went to his room by 8pm on both nights – sad news is, he went alone. To add insult to injury, she and he were the only two staying at the hotel on the Friday night.

HOLEPROOF – SPINI for taking over the men’s showers on Saturday evening and then being surprised to find Pseudo joining her albeit v v briefly – “GET OUT, GET OUT YOU PEVERT!!” ... Those hashmen who heard, wondered which pervert she was referring to.

DUCK – A thank you to **SLOPS** for NOT coming to the AGPU because it meant there was enough beer left over for several buckets and saved the new committee \$\$\$\$\$\$.

LOAN ARRANGER – DUCK asked LA who was going to be RA tonight (er, Loan Arranger perhaps?) and then **DIRTY**, who can never miss an opportunity to dob **DUCK** in, said that he was also stressing about where the bucket was going to park... YOUR TIME IS OVER, DUCK, relax and chill out, at least for the next 12 months...

SCOTCH MIST – POWERHOUSE for not joining B2H3 because he could end up having “Jobs” to do – so she made him the run reporter.... A great bitch in the making, well done!

Pricks – SPINIFEX & DUCK

80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!
