### Run Report

None. Most of you don't do the freaking run anyway so reading about where and how far it actually went would cause fatigue so you have been saved from an early nap.

### CIRCLE REPORT

None – now that would give you the shits wouldn't it? Perhaps? A tiny bit? Bad luck, you are getting one anyway.

Hannibal gave a short dissertation on the history of the area and I am being generous by saying that because he said fuck all really. Apparently (and we are SO VERY NOT interested) Tricky Trindall, Derek Simmons and, slightly more interestingly, Greg Inglis, live, lived or died in Pagewood.

Father John Cootes also lived here and was the first Catholic Priest to represent Australia in Rugby League which makes a change from being represented in court by a lawyer defending charges of Paedophilia. Actually, I should not besmirch his name, he was a good bloke and

for some obscure reason was allowed to get married, joined Harvey Norman as a retail sales manager in Arizona, got lost in the dessert and fried.

## **Run Reporter**

Squatting Squaw was delighted the area allowed her plenty of opportunities to squat. She was less impressed when trail wound through the rather less than scenic housing commission area until she noticed all the dumped mattresses (local council clean-up day). Squaw checked them out hoping to put a better spring under Loan Arranger's tail but sadly all were duds so she will have to follow in Father Cootes' footsteps and head to Harvey Norman. Squaw scored Doc's run a respectable 8.5

## **Visitors**

CB, Stringbean and Mad Duster.

## **Birthdays**

Duck's but that should be announced Monday because his birthday was on Saturday – or should it be because it is before next Monday..... whatever, Happy Birthday, you old fart!

## **Prick Nominations**

JJ nominated Sir Les for not being able to follow a simple instruction "move your car forward..." then repeated several times because he did not understand the first six requests. "But, but, I'll get parked in"; "No you won't", "yes I will" "no, you won't", "yes I will" etc etc. Finally he moved.

JJ then nominated Cannonmouth because when she tried to tell him to park behind Sir Les he could not work out how to open the window of his new car. JJ sensibly walked round to Bowerbird's side....

DW also nominated Sir Les for his continuing kleptomaniac tendencies. He had been loaned a ball and chain by Albury hash and they were wondering when they were going to get it back (note to Albury hash, do not your hold breath, you will die!).

## **Prickette Nominations**

Sir Les nominated JJ for being pushy;

Pig nominated JJ for being pushy;

Stringbean nominated JJ for being pushy;

JJ nominated herself for being pushy;

**HOWEVER forget all of the above because:**

**Pick and Prickette: Growsome and Scotch Mist for being trail masters and managing to losing their guest, Mad Duster**
