Run Report

No run report, one was done but the dog ate it – hang on! they haven't got a dog.....

CIRCLE REPORT

Our very own Historian, **Hannibal, BA MA PhD**, stepped forward for today's lesson. Rockdale, he said, was so steeped in Sydney's historical beginnings, it got drunk on fame and glory, lost the plot and fell off the cultural heritage list. The only interesting fact he could find was a recent story about a bum. A Rockdilian had opened his front door only to get stabbed in the buttocks several times (not Avon calling then). Conclusion: either he answered the door with his bottom, surprising his visitor who did not recognise the cheeky cheeks, though "intruder!" and thrust the pork chop he happened to have in his hand into the offending buttocks; OR the resident tried to escape his attacker but his bum was too big to enable a speedy retreat but made a perfect target. Police investigated but all leads led to Rock Bottom....

Grewsome gave the Run Report and said he should not have been TM tonight, it was Scotch Mist's turn but she refused point blank. Last time DNF set a run it was a schmozzle and she was not going to TM another one. Grewsome arrived full of hope for a marked organisational improvement but his hopes were dashed when DNF told him the map was "no good", jabbed his finger at it several times and said "you go down there, up here, left then right then left then right, up some stairs then round that corner, turn left, turn right, on home – gottit?". The map was actually pretty good – up until the last stretch when it did lose its way. Grewsome wisely headed straight home and arrived at the bucket 10 minutes before the rest of the pack. Score : a creditable 7.5.

Visitors

Dr Hook, CB, Sandra Dee, Peter, Ice Box and Hot Dick.

Athletes:

MERKIN achieved a creditable 500 pub crawls!

Birthday wishes to:

QR – Slotcard boasted she had given him a 69er as a gift (gift made in heaven for QR). However she let the truth get in the way of a good story and admitted it was his 69th birthday. So poor QR missed out on both fronts, not only a year older but no happy ending either.

Goon – 69ers were off his gift list because he isn't old enough yet.

Prickette Nominations

Dirty Weekend nominated **Spinifex** – after last week's State of Origin she filled her Facebook page with accolades to the QLD side and then wondered why no one responded – nothing, nada, zilch – not even a congratulations and when she asked DW why not, her response was: "AS IF!!!. You are living in NSW!"

Dr Hook also nominated **Spini** – he had asked her out for dinner, unfortunately it was on the same night as State of Origin so she knocked him back (KNOCKED BACK DR HOOK – ARE YOU MAD!!)

Big Ears boasted that he had been on 1300 of the 1607 B2H3 runs and this evening he was walking with a "bloody Harriette" who had run more than 1300 and no doubt both had the dubious pleasure of following trail through Rockdale countless times. Half way through the run she turned to him and said, "do you think you can find your way back?" And the "bloody Harriette" was: **BowerBird**.

Duck nominated **Venus** for being as quiet as a mouse at a trivia night a few evenings ago – that was until she finally knew the answer to a question. The mouse suddenly turned into a verbal manic, it did not take long for the whole room to know the answer.

Prick Nominations

Duck gave up **Sir Les** because he had called him during the week and asked him if he could remember the name of the ex-B2H3 member who had moved to the ACT – you know, the bloke without much hair, an accountant at the ATO – remember?? And remember poor Duck did after months of counselling to erase Sun Bean from his mind! Duck immediately made an urgent request to see his psychoanalyst to restart therapy.

DW picked on birthday boy **QR** for stealing his daughter's spandex – "these aren't my daughter's" QR responded, "these belong to Spini....".

Grewsome being a smart boy immediately picked up on the implication. So, obviously Spini knocked back Dr Hook (KNOCKED BACK DR HOOK – ARE YOU MAD!!!???) because she had a better offer and the lucky Birthday boy got a present after all but once the main gift unwrapping was all over and done, **QR** left a very happy man – and the best bit – stealing Spini's spandex.

Pick and Prickette: QR AND SPINIFEX
