"I said circle up! Is anyone listening?"

### **CIRCLE REPORT:**

Our RA, SNIFFER DOG, had returned from her travels & quickly donned the gold cape and shouted/whistled "Circle Up" which was completely ignored!

After whistling and shouting again the assembled large crowd of hashers finally "Circled Up" and listened to a brief history of the surrounding area with the most notable, historical feature being Callan Park where many of B2H3 hashers luckily avoided being confined in, in years gone by.

SNIFFER DOG then called for visitors but your ever vigilant scribe reminded her that the Hare & the run reporter should come first. SCOTCHMIST then informed HOLEPROOF that there are no rules in Hash and the circle could proceed in whatever order the RA decided! But wait! there was a reason for SCOTCHMIST's delaying tactics, GREWSOME was still gathering his thoughts together, as he was the nominated run reporter, and SCOTCHMIST was trying to buy him more time! Unfortunately this delaying tactic did not work nor was it needed as GREWSOME's run report was excellent anyway!

"I tried my darling but that pest Holeproof kept referring to her mythical Hash rule book"

### **RUN REPORTER:**

GREWSOME extolled the virtues of the run which started off through Callan Park, ("why were the inmates smoking?" he asked), then through the Bamboo Forest and nice parks. Then came HANNIBAL's surprise as he had searched for new territory to run through which resulted in the trail going through Haberfield, the Hawthorne Canal (which is heritage listed) etc. This resulted in HANNIBAL initially being awarded a score of 7.5 with GREWSOME then adding another 2 points for running through Haberfield which gave HANNIBAL the grand total of 9.5! Well done HANNIBAL! I will leave the Trailmaster PIG to wax on about the killer hill at the end of the run in his report. ( in next week's Hash Trash)

### **VISITORS:**

Our funds received a great boost tonight as we had 5 visitors!  
MODNOC (great to see you again!) BRETT (friend of MODNOC)  
TWO FATHERS not sure where from but he was wearing one of our stylish new shirts with his name on!  
POWERHOUSE (always good to see you)  
PETER (SANDRA DEE's other half, good to see you too!)

**PRICK OF THE WEEK NOMINATIONS:**

Only one! DIRTY WEEKEND nominated SIR LES for saying to DW  
“You make me feel so hot for you when you dress like that”

**PRICKETTE OF THE WEEK NOMINATIONS:**

DIRTY WEEKEND nominated SANDRA DEE for just ignoring her as when DW drove down Bestic Street, minding her own business, SCOTTY (SD’s fur child) came out of the bushes with SANDRA DEE & PETER on leads. DW honked her horn trying to attract his attention but obviously SCOTTY was so intent on taking them for a walk he just ignored DW

SANDRA DEE nominated SQUATTING SQUAW for her lack of commitment after failing to turn up, with her friend, to the Melbourne Cup luncheon SD had organised!

DIRTY WEEKEND nominated DISH for (my notes are hard to read here as my “shining light”, SIR LES, hurried away to get his down down organised thus leaving the Scribe in the dark!) but I think it was something to do with clothes

## **COMMITTEE RAFFLE**

As you are all aware, Dundee's beloved daughter Sheridan White sadly passed away on 18th October at age 46. Sheridan left behind her husband Darrin & 2 young sons Nash & Archie. Sheridan's family & friends have started a fund to send Sheridan's husband & the boys to Disneyland. This of course will not bring her back but will help to brighten the lives of her loved ones at this sad, sad time and give them happy memories to focus on.

The B2H3 Committee has decided to hold an extra special raffle to assist with the fund & to give us all a chance to help. I know that many of you have already donated to the fund but please dig deep & support this raffle.

### THE ON ON & NEVER LET THE TRUTH GET IN THE WAY OF A GOOD STORY & JOKES SECTION

On into the pub and thanks to Hannibal's organising skills the majority of us had pre-ordered so it was only a matter of paying your money to the very friendly restaurant cashier, getting your name crossed off, finding where to sit and then the very tasty food arrived pronto! Well done HANNIBAL.

VENUS, HOLEPROOF & SNIFFER then started circulating amongst the tables of B2H3 members/visitors selling raffle tickets for our grog raffle which will be drawn on November 27<sup>th</sup> at Joker's run at Kirrawee. Do not be alarmed if you missed out or wish to buy more tickets our lovely ticket sellers will be out in force again at Brighton-Le-Sands RSL at Sandra Dee's run. **THE GOOD NEWS IS THAT THE COMMITTEE HAVE DECIDED TO DRAW 2 PRIZES**

Our resident wordsmith, SLOTCARD, was telling us that she was trying to explain to her grandson, future, past and present tenses. He was having trouble with it all so SLOTCARD posed this question to him: "I am beautiful is what tense?" Her grandson replied "past tense."

SIR LES told us that as he was driving to Hash tonight he pulled into a service station for some fuel and as he pulled in he noticed BINGO trying to push her car towards the pump. Now SIR LES has always considered himself a true gentleman & Good Samaritan, so he quickly rushed over & helped BINGO push her car.

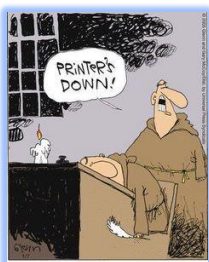

"WTF are you doing SIR LES?" asked BINGO

"I'm giving you a hand to push your car" he replied, rather hurt at BINGO's question & the tone of her voice!

BINGO replied "I am stretching in readiness for the run tonight you idiot"

HOLEPROOF mentioned to DUCK that when SPINNIFEX arrived tonight she said to HOLEY "I had to drive around the block to find a parking spot tonight!" DUCK's comment to HOLEY on hearing this was "Oh, the poor little Princess!"

On On and see you next week at Sandra Dee's run at the Brighton-Le-Sands RSL Club with the run starting from the carpark behind the RSL in The Boulevarde.

Holeproof PS. Trailmasters report for this week will appear in next week's Hash Trash
