**WELFARE NEWS**

TOP BUNK and I this Thursday morning, 28<sup>th</sup> December, visited DNF at St George Hospital Ward 4 South Room 3. He is now on a full diet and you are encouraged to come in and make sure he eats it. He downed a coffee shop cappuccino in good time too! Late last week the news and prognosis was not good and plans were made to move DNF to another facility. These plans have now been canned due to the great improvement in his health. To see him so much improved is really "A Christmas Miracle"! He needs lots of support so over to you all. With thanks

Thank you PSEUDO for the great photo and organising breakfast

THE NEVER LET THE TRUTH GET IN THE WAY OF A GOOD STORY SECTION

Just the four of us turned up on Christmas Eve morning to enjoy breakfast at Charlie Lovett's and enjoy we did! I made a surprise visit, driving up from Shell Cove in time for breakfast. PSEUDO had phoned me about 5 minutes earlier & I told him I was out shopping and to enjoy his breakfast with WINNING STREAK and TOPBUNK. Big surprise when I "jingled" in! It was worth the drive there & back!

I was chatting to STOPCOCK at our Christmas run last week and he said "I arrived home really late one night last week after a full day of golfing, drinking & hanging out with the guys, and HOT POKER had left me a message in the kitchen. I think it means she wants me to eat more fruit, bless her heart!"

← (Thank you STOPCOCK for this joke)

**What causes the most accidents and injuries in the world?**

Not cell phones, not fiddling with the radio, not the GPS monitor, not talking to passengers, not texting, not watching a car video or not changing a CD.

**THE MOST FREQUENT CAUSES OF ACCIDENTS IN THE WORLD ARE CAUSED BY.....**

.....

*Yes! You guessed it!*

## *Inappropriate footwear!*

Nothing much else to report on and judging by the photos on Face Book in the past few days everyone seems to have had a great Christmas filled with family & friends. See you at CANNON's on Monday night & Happy Birthday to BOWERBIRD for the 29<sup>th</sup>. Dec. You have caught up with me again BB but I will be the oldest B2H3 Harriette again in April!
