A large pack crossed the Sydney Harbour Bridge to attend "SPINIFEX's 30 years of hashing with B2H3" run. What a big surprise to see so many make the journey, well done everyone! SPINIFEX certainly knows how to draw a crowd AND stop a threatened rail strike. SPINIFEX advised everyone at the start that there was another trail marked out there. "My arrows are the open arrows and the Northern Wanderers H3 have closed arrows so be careful not to follow the wrong trail!" said SPINNIE. PIG obviously did not listen and crossed off the closed arrows which resulted in SPINNIE receiving a curt email informing her that she had spoilt the Northern Wanderers H3 run! PIG's run report appears elsewhere in the trash so it will be interesting to read his account of his error! I have heard from several sources though that it was a great run, well set with plenty of steep stairs, more stairs and MORE bloody stairs! The runners arrived back hot & thirsty to enjoy the bucket!

## TIME FOR THE CIRCLE

SNIFFER managed to call the assembled mob away from their catching up to form a circle and got the charges etc. underway

**HISTORY:** Skipped tonight due to more important matters – we needed to be in the pub soon to order our dinners.

**RUN REPORTER:** GOON was chosen for this task tonight by his “mate” PIG and said the following:

\*Fresh air expedition over the bridge, home of the Bears Rugby League team (in the past)

\*1980's style of run – having on backs from checks (that confused the pack), the map was on two pages one for the out trail and the other for the in trail.

\*Steps, steps and more steps. Spectacular harbour views, down to Luna Park

\*To quote Goon “the runners headed back to the bucket looking like Brown's cows”

GOON then awarded SPINNIE a miserly 3/10 for her huge effort of setting a 7klms, scenic run. *Scribe's note: I suspect little boy's games were at play here, to award such a low score!*

*In an ironical twist of fate, when it was time to retire to the North Sydney Hotel for dinner the Sydney Harriettes were having their committee meeting and B2H3 had purloined their usual table! Well done SPINNIE!*

“Did I do well PIG?”

“PRICK only 3/10!”

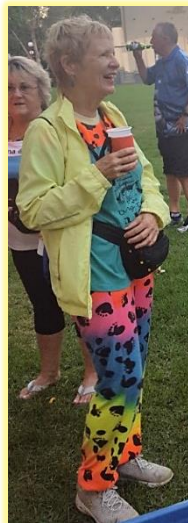

**VISITORS:** Three visitors joined us tonight and it is always great to welcome these three!

ACE an original B2H3 member looking happy to see us all, as we were her.

LIZARD long time no see but great to have you with us

CB who is a regular visitor at the moment and we love having her with us

**SPECIAL DOWN DOWNS:**

SPINIFEX celebrated 30 years of Hashing with B2H3, after moving south from Brisbane.

On her first run she was told by MARY ROSE that B2H3 was a "couples Hash". Ha! Ha!

GOLDMARK celebrating her 60th birthday and still the celebrations continue! Are you going to her birthday lunch, if so please advise DIRTY WEEKEND

**ATHLETES:** None as records left at home by PIG so could not be checked!

**PRICKETTE OF THE WEEK NOMINATIONS:**

DIRTY WEEKEND → SPINIFEX for asking DUCK on the weekend to score her run then threatening the use of a knife on certain parts of his body if the score was not to her liking

ACE → SPINIFEX for not wearing her 1988 T- shirt to her run

DUCK → DW for jumping in the harbour pool on Australia Day fully clothed

PIG → SPINIFEX for her elegant method of getting out of the harbour pool on Australia Day

GREWSOME → DW for waiting to see the Wiggles perform on Australia day

**PRICK OF THE WEEK NOMINATIONS:**

PIG → HANNIBAL for commenting on PIG's skin colour

DUCK → GOON for dropping his dacks in public

LOANER → HANNIBAL for reminiscing about North Sydney memories of his wife Heidi, hash name, HEIDER de SAUSAGE

**PRICK AND PRICKETTE WINNERS OF THE WEEK:**

## RELAY WEEKEND INFORMATION

### **RIDGEY RIDGE @LIGHTNING RIDGE – RELAY 50**

#### **A 500 MILES JOURNEY (Each Way)**

Lightning Ridge was chosen as it is an equidistant Eight and one half hours drive from Canberra, Sydney, Brisbane, Nelson Bay, Ballina, Coffs Harbour, Noosa, Emerald and Wagga Wagga

**Car Pooling** is recommended and most hashers will make it a 4 or 5 day adventure including half-way stopovers at places like Moree or Goondiwindi (from North) and Dubbo or Gilgandra (from South)

For the first time ever **the RELAY will be over 2 days commencing on Friday Aug 3<sup>rd</sup> at 10.30am** allowing team members to drive from an overnight stopover to avoid animal rendezvous at sunset

The **Thursday night (Aug 2nd)** Team Captains registration is for team leaders to receive their full team pack including final Instructions, maps, orders and team members goody bags to distribute.

#### **LIGHTNING LOGISTICS**

Bloody miles from anywhere and a highly transient population of cut throats and vagabonds has made Event organisation challenging and despairing.

Hard to reach agreement on venues, special hash environs, catering and musicians as cafes close then re-open and anyone seeming responsible disappears underground as responsibility threatens

Consequently the registration fees are higher than we wanted to cover risks until firmer local pricing.

Golfing greens have not been mown for 8 years and the trails are dusty and rubbish-strewn with many pitfalls and COLD at -2 degrees BRRRRR !! Good luck if you haven't already booked your digs.

**LIGHTNING RIDGE IS NOT PARADISE SO DON'T EXPECT IT**

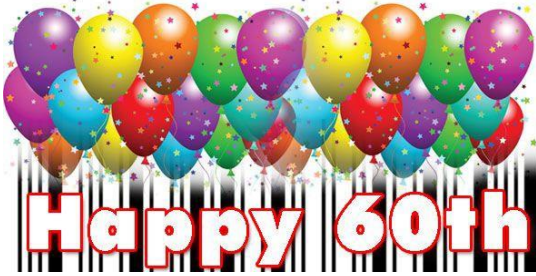

#### **WHY YOU STUPID BASTARDS INSISTED ON GOING THERE BEGGARS BELIEF.**

**MAYBE IT'S BECAUSE :**

1. Great rivalry and Bon Ami between teams
2. Opportunity to dress in drag and paint the town red
3. Make your Name as a BUSH POET
4. Reciprocal golf membership club rights with St Andrews in SCOTLAND
5. 25 kms straight, flat, road bike leg
6. Friday Bus trip to the Pubs in the Scrub including runs, bikes and golf + lunch
7. Log Fire at traditional Friday night pub get together
8. **LATE START FRIDAY (10.30am) TO ALLOW MORNING DRIVING**
9. Late Start Saturday (8am) to allow sleep in due to freezing
10. Friday Lunch: Saturday Breakfast, Morning Tea, Lunch, Long Bucket
11. Sumptuous feast fit for an opal miner during the HASH RELAY OSCARS
12. Recovery Breakfast and walk/run to/at the Artesian Bore Baths on Sunday 5th

**ORGANISERS O.S. and Wagga Rod for Brisbane Thirsty Hash**

### PIGS RUN REPORT FOR RUN 1638 HARE SPINIFEX

↑  
**SORRY READERS PIG WELL & TRULY MISSED THE DEADLINE EVEN WITH REMINDERS!**

As I am away from Sydney at the moment on my way to Noosa I cannot report on the On On but this little snippet came my way.

**SLOT CARD saw this quote:**

“A common mistake that people make when trying to design something completely foolproof is to underestimate the ingenuity of complete fools.”

In order to improve her mind and work out the meaning of the above quote SLOTCARD went to the Self Help section of her local bookstore. When she couldn't find what she was looking for SLOTTIE asked the shop assistant to help her. “Imagine my surprise” said SLOTTIE “ when the assistant refused to help me because she said that it would defeat the purpose of self help!” Ha! Ha! Poor SLOTTIE she remains none the wiser.

**And this little joke arrived:**

During a commercial airline flight an experienced Air Force Pilot was seated next to a young mother with a babe in arms.

When the baby began crying during the descent for landing, the mother began breast feeding the infant as discreetly as possible.

The pilot pretended not to notice, and, upon disembarking, he gallantly offered his assistance to help with the various baby-related items. When the young mother expressed her gratitude, the pilot responded, "That's a good-looking baby, and he sure was hungry!"

Somewhat embarrassed, the mother explained that her paediatrician said that the time spent on the breast would help alleviate the pressure in the baby's ears.

The Air Force Pilot sadly shook his head and in true pilot fashion exclaimed,

“And all these years, I've been chewing gum.”

**And this one too:**

A man and a woman who had never met before, they were both married to other people, but found themselves assigned to the same sleeping compartment on The Indian Pacific.

Though initially embarrassed and uneasy over sharing a room, they were both very tired and fell asleep quickly, he in the upper berth and she in the lower.

At 1:00 AM, the man leaned down and gently woke the woman saying, "Excuse me, I'm sorry to bother you, but would you be willing to reach into the closet to get me a second blanket? I'm awfully cold." "I have a better idea," she replied "Just for tonight, let's pretend that we are married."

"Wow! That's a great idea!" he exclaimed.

Good", she replied "Get your own fucking blanket."

**Next weeks run Duke of Gloucester Hotel 2 St Marks Road Randwick**

**On On from HOLEPROOF in Alstonville**

**PS. HAPPY BIRTHDAY TO MUDFLAP FOR THE 1<sup>ST</sup> FEBRUARY**
