## AT THE PRINCE BEFORE THE RUN

"Mmm! I wonder whom GRENADE is referring to?"

"It was THIS big!"

"Don't know but I'd like to meet him!"

"Girlie talk, time for me to leave!"

With at least seven of our usual members away at Interhash in Fiji it was a quieter than usual crowd that gathered for SQUATTING SQUAW's run from

the Prince Hotel Kirrawee. Does this tell us who the noisy ones are?" Mmm!

RABBIT carried her gorgeous Grandson ARCHIE into the Sports Bar to say hello to his grandma's Hash friends but he fell foul of the barman who said "You can't come in here young man, this is a gambling area! Get out!" Well done ARCHIE you are going to make a great Hashman thrown out of the pub on your first Hash run!

"Hello from Fiji, we wish you were here"

"Time to go, On On!"

"On On!"

ARCHIE says his first words

As PIG had notified "the blokes" that he could not make it tonight and would one of "the blokes" please step up as TM. SQUATTING SQUAW was kept busy first of all explaining to the first volunteer, GOON, where the run was going. Then MERKIN volunteered as well so another explanation

was needed! BUT WAIT! in came GREWSOME to stand in as TM! So for the third and last time SQUATTING SQUAW explained her lengthy run details to the REAL stand in TM, GREWSOME! By this time the pack numbers had increased, ARCHIE had been banished to his pram ready for the run and BINGO was pointing at her watch to let the pack know it was TIME!

SQUATTING SQUAW told me after the pack had left that she did not get time to reccy her run so it was rather long and she thought the runners would be looking for shortcutting opportunities at every turn!.

ARCHIE heads out on his first Hash run

The girls have a catch up

BUCKET TIME

SQUATTING SQUAW and I decided it was time to leave the Pub and wander down and get the bucket ready outside Bunnings. First of all, out of the darkness, came SHORTnCURLY to say hello and join us for the rest of the evening Then came MERKIN "I got lost" he lamented..thank goodness he did not get the TM job tonight! BROCKIE called my mobile wondering where the bucket was being held and soon the walkers straggled in and, as MERKIN was a "runner", we could open the bucket and pop the champagne!

"Did I just see ARCHIE trying to sneak back into the pub?"

"Where's that SQUATTING SQUAW? what sort of a run was that with a 3klm on home!"

"I am completely innocent I had nothing to do with the run setting!"

Who's this coming in late? Looks like SIR LES! Let's cheer him in girls!"

"Sorry SIR LES I thought you were at the head of the pack!"

"That's a good one! SIR LES at the head of the pack Ha! Ha! "

"It's okay GREWSOME I know you did not mean to leave me out there!"

"You can do it! Not much further!"

"Uh Uh! He doesn't look happy!"

"Ha! Ha! poor old bloke!"

Once it was established that SIR LES was safely back "in the fold" (was anyone even aware or cared he was not back?) stand in RA GOON called circle up. GOON had some interesting facts about the Princes Highway, which goes past/through Kirrawee, and he has kindly waved all copyrights to his prose and given me permission to print it here. Thank you GOON

**HISTORY:** In 1920 – the (then) Prince of Wales – Edward, visited Australia – on the premise to thank Australians for their contribution to WWI. However, it seems a more important reason for the trip was that his father (George V) wanted to remove Edward to remove his son from the temptations of an idle life in England. Edward was a notorious womaniser and had a penchant for married women, rumoured to be bisexual with a habit of making friends among the more disreputable coterie (a small group of people with shared interests or tastes, especially one that is exclusive of other people.) of fashionable high society.

The Prince's visit in 1920 was a huge occasion – where tens of thousands of Australians came to see him, touch him and throw confetti on him. He had a strict timetable with 337 Official duties. It seems he disliked the whole affair. One of the only highlights of the trip for him was when a train that he was in, in Perth WA derailed. He emerged unscathed – with a silver drink shaker in

"Bloody Colonials, can't even keep their trains on the track!"

one hand. Apparently, it bucked up his spirits that he had survived okay and he said he was delighted that he and his party had experienced an unscheduled activity. He took it with a sense of humour and was nicknamed "the Digger Prince". The idea was that NSW would honour this visit, with a grand gesture by naming a series of Council Roads – "the Princes Highway" so he could travel from Sydney to Melbourne down the coast and meet the good folk of coastal Australia.

But at that stage (1920) there was no coordinated effort on roads – (the DMR was only established in 1925). All roads were council roads. Eg. there was no Tom Uglys Bridge – but a Punt service across the river

Only The Bulli Pass road existed – no Mt Ousley. This is where they had the official naming ceremony on 19<sup>th</sup>. October 1920. The shiny-pants bureaucrats (including the NSW Minister for Local Government - Thomas Mutch), without the Prince, went to the top of Bulli Pass to hold a "Naming Ceremony" for the Princes Highway. The Bulli Pass Road road was so steep that the cars transporting the official party could not make the climb and the official party had to walk to the top.

So, in 1920, it was considered "all too hard" and the Prince went another way. However, the Prince did give his permission to name the road after himself!

Actually, once actual construction of the Princes Hwy was started in earnest it took over 40 years to build – declared as National Route 1 – in June 1955. (the work still continues today with By-passes, deviations, road widenings etc.)..Great History lesson GOON..thank you

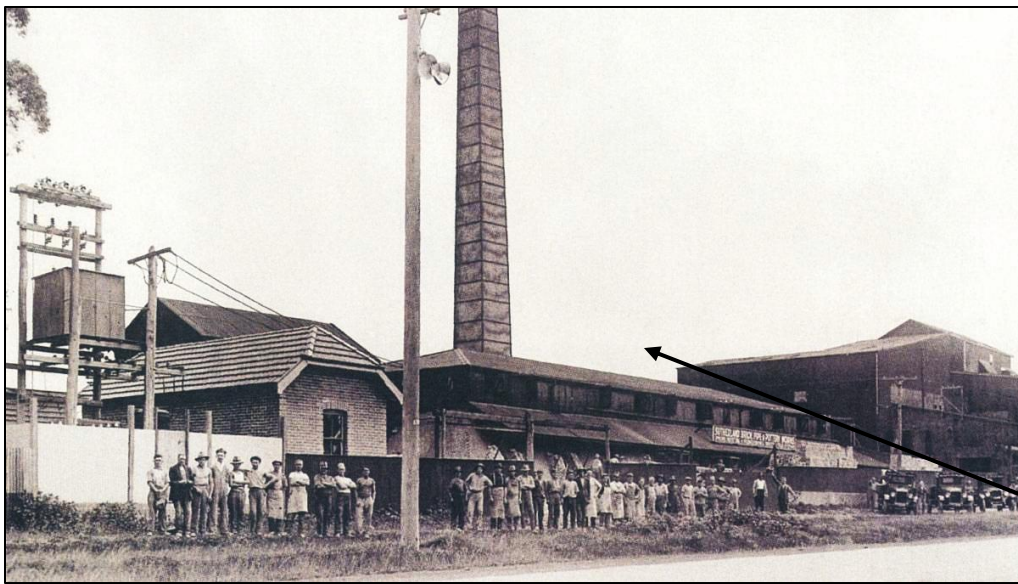

"Are you okay Prince?"

"Come on over and give me a physical and find out!"

I have sourced some photos of the "Brickpit" at Kirrawee which is causing so much angst for the residents of Kirrawee and the rest of The Shire too. Every day the traffic is a nightmare in the area and SQUATTING SQUAW and LOAN ARRANGER have trouble driving in and out of their street at anytime of the day! **This is a photo of the original brickpit.**

**This is a photo of the work in "progress" now!**

Between 1912 and 1961, the brick works produced millions of bricks and clay pipes a year for rapidly developing areas of Sydney. Soon after production started in 1912, the works were turning out up to two million bricks a year and, by 1939, annual output had reached seven million.

Clay and shale quarried from the southern portion of the Kirrawee site significantly reduced the cost of transporting materials from other areas and kept the factory competitive with other suppliers, particularly

through the war years and Great Depression era. Records show that the brick works had several owners over time, starting with the Sutherland Brick Company (1912-1917), Refractory Bricks Limited (1917-1926) and finally the Punchbowl Brick and Tile Company Limited (1927-1961). Following its decommissioning in 1968, the site was cleared of all buildings and the landmark brick chimney was demolished.

**And this is what it will look like.** Call it what they may, "South Village", will ALWAYS be known as The Brickpit!

**RUN REPORT:** Tonight BINGO gave the run report and she has kindly emailed me her wonderful words of reasoning on how she arrived at her score of 7.5! Thank you BINGO

10 - What a perfect evening SQUATTING SQUAW engineered for the Pack!

9.5 - We set off on time with what appeared to be 2 Trail Masters: GREWSOME and GOON

9.0 - Plenty of arrows, twists and turns and a sprinkling of checks and on-backs on the dark streets of Kirrawee with DUNDEE and HANNIBAL confidently leading the Pack.

"What?"

"Ha! Ha! whose smiling now?"

"Me!"

"Bitch!"

"Next time don't go home for a root before you finish setting the run!"

left wandering the back streets having broken the string keeping POWERHOUSE, QR and HELLISMELLHER in sight.

7.5 - Half way through setting the run, SQUATTING got a call from LOAN ARRANGER - he was a desperate man with a Hard On - "Come Home Woman" he implored and that's just what she did - no twists, no turns, no checks no on-backs; just a 3 klm straight run to conjugal bliss.

We should be so lucky! On On BINGO

"Thanks for the welcome!"

**NEW MEMBER:** We are so pleased to welcome a new member. HELLISMELLHER has decided that she likes us and will run with B2H3. Welcome and now to convince hubby STEVE into joining us too! (Hope your tooth is better)

**VISITORS:**

We had 1.5 visitors tonight!

Great to see POWERHOUSE join us for this run. Nice to see you again!

The .5 visitor you ask? ARCHIE, RABBIT's dear little baby grandson! As ARCHIE was not at all interested in drinking beer his Grandma stepped up and had his down down for him. Onya RABBIT!

"Give me my beer Grandma!"

"Not interested! Who told you that?"

??? Whose rear end is this???"

**PRICKETTE OF THE WEEK NOMINATIONS:**

“Do you know?”

SCOTCH MIST → SQUATTING SQUAW for having such a long On Home  
LOANER → GRENADE for telling the worst joke perfectly  
GOON → RABBIT for keeping ARCHIE out drinking with the Hash  
MERKIN → BLONDIE for looking like an Arab on the run with her hoody pulled up and her skivvy over her face  
BINGO → SQUATTING SQUAW for dashing back home before she finished setting the run because  
LOANER phoned her and wanted her home for sex.  
GOON then told us a joke about Prince Harry & Meghan about bad breath & smelly socks. This prompted GRENADE to also tell a joke. Not to be outdone up piped DUNDEE with a blonde joke which was even worse than GRENADE's!

**PRICK OF THE WEEK:**

DUNDEE → GOON for making sure he looked after his shiny arsed bureaucrats?  
HANNIBAL → SIR LES for being last in...TIGER supporters never come last!  
PSEUDO → SIR LES for the same thing  
POWERHOUSE → CANNONMOUTH who is always talking about picking up rubbish and always carries a plastic bag with him to put recycling in. POWERHOUSE hid behind his fence last Monday and watched as CANNON, in his bid to find all the recycled cans and bottles in POWERHOUSE's bin let his Junk Mail pamphlets fly all around the street!

**PRICK AND PRICKETTE OF THE WEEK**

**GRENADE**

**CANNONMOUTH**

IS IT A HASHMAN OR A HARRIETTE?

Thank you GOON for doing such a great job as RA and keeping us amused and entertained as these photos indicate. We all look like your adoring public, hanging onto your every word!

“I tell you that Prince was a philanderer!”

“Don't ask me HOLEY!”

“Shit! How do I spell filiandererr?”

“I hope they notice the down downs are ready already!”

TIME FOR  
THE ON ON

Soon it was time to head into the pub for food, wine and good company. SQUAW had organised a long table for us and we managed to just about fill every seat.

The service at this hotel is always spot

on and the meals once again were the same! Good choice SQUAW! Well done! Tonight there was plenty of parking in the area without using the Bunnings carpark. PSEUDO and I parked in the Disabled spot in the pub's underground carpark and rode the lift to the bar!.....gotta love my disabled sticker!

RABBIT's family were at the Pub earlier and had a semi-date night when RABBIT absconded with young ARCHIE. They did come and collect him at the bucket before he had a chance to indulge the drinks on offer! Such a cutie!

"Did you enjoy your first Hash run ARCHIE?"

"Yes Mummy but Grandma drank my down down!"

"Little dobber!"

"That's my boy!"

As usual, the chatter around the table was loud and full of laughter. Always lots to catch up on each Monday night. QR told me that SLOTCARD's dear mother is recovering well after her fall and her injuries are healing. Great news, what a lady!

For those of you reading this and were not at the run I will repeat GOON's joke here for you.

'Prince Harry had a problem and was not too sure how to tell Meghan before they consummated their love. He pondered over it and decided to confess to Meghan that night that he had really really smelly feet which made his socks STINK.

In the meantime, Meghan too was struggling with her own confession as she had a problem as well! Meghan decided to confess to Harry that night that she had really really BAD BREATH.

When they met for dinner and as Harry went to kiss her, Meghan said 'I have a confession to make darling Harry'. Harry gasped and said "HAVE YOU BEEN EATING MY SOCKS?" Ha! Ha! Good one GOON.

Once again the Sharks supporters were very happy..I had text messages from DUCK all the way from Fiji commenting on the game. He was secluded in his Hotel room watching all by himself in peace and serenity! More about this story when DUCK returns.

The Tiger supporters were looking pleased with themselves too. A nail biting finish/win for their team.

I believe we will be having a change- over soon of our Hash Grog. SCOTCH MIST and GREWSOME have done a fabulous job but are now handing it over to SQUATTING SQUAW and LOAN ARRANGER.

**A HUGE THANK YOU TO THE FOUR OF YOU**

WHO IS THIS?

SOME MORE PHOTOS OF SQUATTING SQUAW'S RUN

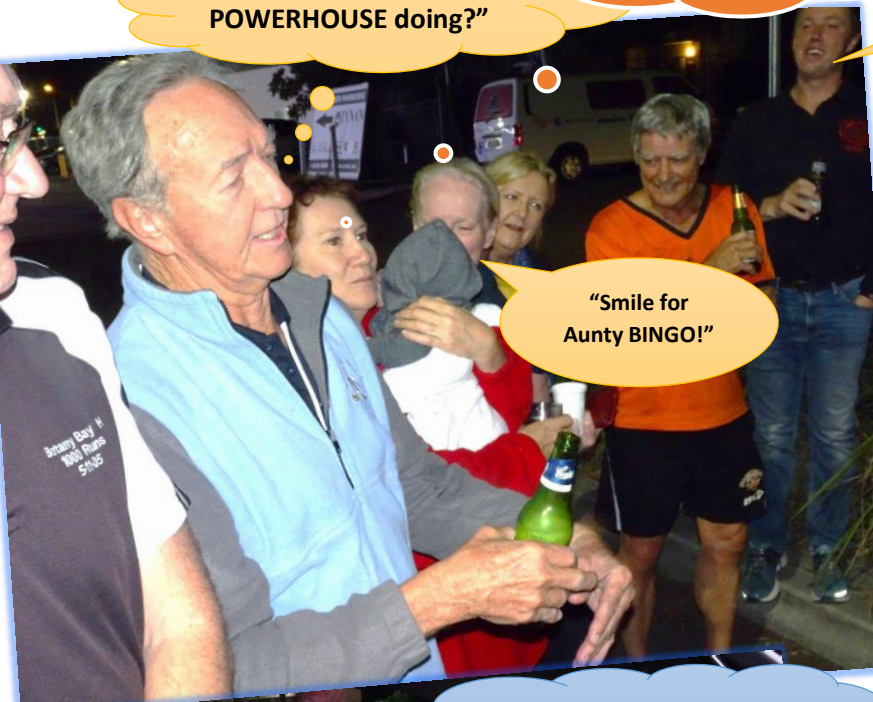

THANK YOU PSEUDO FOR THE EXCELLENT PHOTOS

"What the f... is POWERHOUSE doing?"

"No swearing in front of ARCHIE please!"

"Onya DUNDEE swearing in front of a baby!"

POWERHOUSE DEMONSTRATES TO PSEUDO A POWERHOUSE TURN

"Smile for Aunty BINGO!"

"Ha! Ha! I wish!"

"Old age is catching up with us CANNON!"

"Speak for yourself HOLEY I feel young! do you want to feel me?"

"Pray tell me LOANER Is that true, did you really call SS home for a root?"

"Sadly, it is all a vicious rumour!"

"I'll just sit here and rehearse my speech!"

Happy now BINGO? Is that enough exposure of your rear end? Ha! Ha!
