## Run 1526

### **RUN 1526 “RABBIT @ CARRS PARK”**

#### **RUN REPORT:**

The turn out for RABBIT’S farewell run for SIT & PULL with visitors and children. RABBIT has set a high standard, up there with JJ and BLONDIE for both male and female members.

The trail took the pack to the west of the start then north to the first on-back in Bunyala street and then into Miowera avenue to a check on Princes Highway.

Trail was found to the south and a crossing on the highway. Here the pack was urging DUNDEE to beat the traffic, but I think the honour went to SIT & PULL. Here I remembered RABBIT had written the name of the streets on the back of the map because on the map without a jewellers eyeglass they were unreadable.

From this point we were virtually in virgin territory. From here we were in Stuart street, Vaughn st, Church st and Flora Reserve and to the intersection of East and Oberon streets. So far three on-backs and three checks – not bad!

Trail through the reserve along East street to a check in Taro st. Along Taro to an on-back in a small lane, back into Taro and then Church to an on-back then to Hatfield to the next check. Still in Church to Towson st to an on-back. Towson took us to East st and another check. Then it was into Maria Dodd crescent and a false trail on-back.

Then real virgin territory around the goat track. Around the foreshore climbing out to Castle st and a check in Gold st and an on-back. Then it was into Stuart crescent, Stuart st and Sunnyside st for another check. All this time SCOTCH MIST her son and visitors were staying ahead of me and TAXING sweeping up the rear. While STOPCOCK and SANTA were discussing Vietnam and their war exploits.

Stuart st again to Pleasant way - on-back – Stuart st again, Hatfield road, Mt Vernon (STICKY wasn’t home) then Centre st over Taro st along Centre to Oberon to a check.

Trail found still in Centre st then Orana crescent into water over King Georges road and back to the bucket.

A good run, well set. With 9 on-backs and 10 checks all done in the allotted time.

Well done RABBIT!

## Circle Report

Once again SIRA **Duck** assumed the mantle & reminded everyone that they were visitors & to pay \$7 unless the annual fees were lodged with **Moa**. He also commented on the noise & there are only 3,318 days to the 2,000 run mark & **Pig** had nominated himself as next year's bucket master. He then enlightened the throng on the fact that Carr's Park was originally Carr's Bush but I'm not allowed to comment on that due to the newly sanitised version of the Trash. The reason why we were able to admire the surroundings was due to him maintaining the Park instead of developing the site.

## Run Report

**Sunbean** was awarded the task of issuing the last rites to **Rabbit's run**, which was apparently interesting to him & had lots of checks & on backs & paint. He also short cutted most of it apparently so missed the hills but said it was a good f...ing run so he gave it 9 out of 10.

Visitors: - Lorna, Percy McDonaghy the Hatchet Man & Angel of Contractual Mercy.

Athletes: - Merkin – 450 runs, Top Bunk – 700 runs

Birthdays: - None But Sit & Pull was given a down down for his departure to the great unknown to the north. Hope to see him again sometime. Good Hashman.

## Prickette and Prick nominations

**Grenade** was nominated by **Holeproof** for driving to the run when she lived only 300 metres away.

**Joystick** was nominated by **Pig** for crossing a bridge to come to Hash.
