## Circle Report

**Hannibal** suggested has an unbelievable knowledge of Gynea & its environment & infrastructure, which made it sound very much as though it's a haven of disrepute. Much of this, of course revolves around the Vinyl Room Nightclub – The Vaginal Room or Rent-a-Granny to those who've frequented the establishment. The Club began service in 1983 & is well known amongst Shireites as the best Friday night pickup joint in the area as can be seen from the following true case scenario:

*"My mate picked up this MILF at the Vinyl Room, he was 19 she was about 45. She was a pretty good looking chick for her age.*

*She started grinding my mate without him saying a word to her, then talking dirty in his ear the whole night. Eventually he left with her back to her joint & did all sorts of kinky shit till sunrise. He then went to the bathroom & ended up falling (still pretty drunk) through the glass shower while trying to take a piss. Two panels of head high glass shattered, glass everywhere, she yells out asking what happened & he hears her getting out of bed & walking to the door so he opens the window next to the destruction, jumps out & runs down the side of the house & out through the front yard.*

*He runs about 100 metres until he realises he's naked & doesn't know where he is. He sees an open gate & runs into a backyard, pinching a towel from the clothesline to wrap around him. He keeps running but soon realises his wallet & phone are still with all his clothes back at the house. After 10 minutes of wondering what to do, he bites the bullet & heads back to the house, climbs back through the window & goes back into the bedroom, where the MILF is still fast asleep.*

*He picks up all his belongings, heads back out the window & runs again."*

## Run Report

**Powerhouse** by his intricate knowledge of the Vinyl Room was elected to handle the last rites for the run & enlightened us on the fact that it passed a lot of things, including watching **Merkin** take a piss. There were lots of back alleys, ran over the highway, past **Grewsome's** previous abode, past the old Steam Tram Depot or something, plenty of checks & on backs &, being such a well set run with plenty of arrows he gave it 9.9 out of 10.

**Visitors:** - I don't know about all this as I was being informed by Dame Nellie so it's probably all wrong. There was someone called Chardonnay according to Nellie but then he said no it wasn't her name she came from the Chardonnay Hash so I still didn't know her name, neither did Hannibal who called her Trumps, then Nellie told me she was Brazilian or maybe she'd just had a Brazilian & then Hannibal mentioned something about Dominion. Finally Hannibal had the sense

to ask her what was her name, which if I heard it correct was “Hell I Smell Her” but he failed to ask the obvious question so we’re still none the wiser as to the derivation. Oh & Powerhouse of course.

Athletes: - None.

Birthdays: - None.

New Shoes: - Joker & I’ll keep mentioning it until he gets to drink out of them.

### Prickette and Prick nominations

**Squatting Squaw** was nominated by **Sir Les** for inducing her partner to moon him from her passing car (must’ve been a bloody big window), causing **Sir Les** to have a heart attack in fright & he still has nightmares even though it was 6 months ago.

**Loan Arranger** was nominated by **Pig** for participating in the above.

**Powerhouse** was nominated by **Pig** for whinging about Grab a Granny night at the Vinyl Room.

**Hell I Smell Her** was nominated by **Dirty Weekend** for moving from Hawaii to Yarrawarra (Shire Heights).

**Pricks – Hell I Smell Her & Powerhouse**

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

## Dundee's Rant of The Week

Who is the person to be more believed when asked a question – the person who always answers the question or the person who occasionally says “I don’t know”? The answer, of course is the person who says I don’t know because the person who always answers is sometimes giving a guess, which will be wrong on occasions, whereas the other person will always be believed because he says I don’t know when he doesn’t have the answer. Think about it.

## Snickers' Serious Scientific Summations

Snickers is in such demand from scientific & government circles that he just doesn't have time for us this week.
