Run 1545

RUN 1544

“BING’s MAZE RUN AROUND CARLTON”

RUN REPORT:

It did not look good at 5::30pm for the early start of 6:00pm. BINGO was madly getting people to order their meals and pay, get a receipt and tell her what they had ordered

On-On was called at 6:00pm and 21 Hashers set off down Jubilee Ave and into Nielsen Ave and into the first On-Back. After a short run into English St, back into Bellevue St to a check at Bowns Rd. We continued on Queens Rd and took a right into Gray St past all the new construction work at the St George Hospital. There was a check mid-way to Princes Hwy, trail was called on Gray St and took us down into Princes Ln back into Bowns Rd and into Garden St another On-back.

Still in Garden St and down English St and past one of the mighty St Georges’ home grounds. Along Princes Hwy to a check at Ecole St. This check wasn’t shown on the map so I showed RABBIT a short cut into Colvin Ave where we waited at the On-back for the pack. Then it was into Anglo St which the front runners ran around it and back on Colvin Ave to a check at the corner of Edward St. Along Edward to the west into Tanner Ave and Andover Ln to another On-back.

Trail was found in McPherson Ln along to Park Rd through a small park and Augusta Ln into Illawarra St to a check. We were called on into Norman St through another Reserve into Elizabeth St into Rutland St into another Reserve into Barsby’s Ave back into Elizabeth along Railway Pde into Hamilton St to a check at Andover to an On-back in Bembridge St back to Andover then Hampton Court Rd and check at Garfiels down Garfield into Shaftsbury to Garfield onto Railway Pde and on home.

A good run in a small run a clear map well done BINGO

ON ON QR.

Circle Report

Hannibal, good grief, success has gone to his head, after his amusing diatribe from last week, he's decided to berate us with his profound & incredible knowledge of the great Keith Lord (um I think we was a furniture salesman or something). What that had to do with Carlton is problematical except that he had a store there many years ago & **Slotcard's** relo worked for him – amazing revelations. Our Keith was also in the army apparently & cooked a mean sausage – at this point all the females in the audience immediately stopped talking & started to pay attention – talk of cooking & sausages will do that for them. Keith's motto was "I can make your sausage sizzle", now there was real attention.

He married a lovely Harriette named Jean Tingle who loved a good sausage – her motto was "I can make your sausage tingle" & she did, often, as Keith would give her one before leaving for work & another after returning home. The really good thing about foreskin is that it never wears out; they should make truck tyres out of it. He was also an excellent interior decorator & he decorated Jean's interior regularly, white was the favourite colour. Keith & Jean also became professional mattress testers until his retirement in 1978. He finally died whilst giving Jean a parting sausage on a boat trip to San Francisco. Thus ended the incredible story of Keith Lord master furniture maker & sausage sizzler, what that had to do with Carlton remains a mystery.

Run Report

Goon was elected to handle the last rites for the run & made comment on the solemn nature of the Anzac Day commemoration before letting us know of his complete astonishment of sighting our esteemed Trail Master on the run. What was even more amazing was that he was in front of our reporter – never been seen before – or since because after that he was completely unsighted again until arriving 20 minutes behind everyone else to the bucket & he had the map & lives in the area. The run was awarded the usual (normal) 9.9 out of 10.

Visitors: - Nadger, Ralph, Pram Tart, First Check (the best young ice hockey champions in Sydney) & Meltdown.

Athletes: - None.

Birthdays: - None.

New Shoes: - Joker & I'll keep mentioning it until he gets to drink out of them.

Prickette and Prick nominations

Pram Tart was nominated by **Rex** for running without her pram for which both parents are really pleased (that she doesn't push a pram yet – she's only 13)

Blondie was nominated by **Doc** for something about drinking on antibiotics or something but it was funny cause everyone laughed.

Blondie was nominated by **JJ** for antibiotics & booze – bugged if I know.

JJ was nominated by **Slops** for not understanding that nothing stops you from drinking,

QR was nominated by **JJ** for getting lost on the run even though he had a map.

QR was nominated by **Pseudo** for crossing off a check incorrectly which caused the walkers to never see an arrow for the rest of the night & then telling him to get fucked – he's such a personable chap with a keen sense of the English language.

Pseudo was nominated by **Doc** for making a phone call in the circle.

Pricks – Blondie & Pseudo

Jokes: - Big Ears told a joke about a pub going bad & a piano playing dog & a snake who sings like Sinatra for which they received 15% of the takings – the dog received 10% & the snake 5%. The obvious question was asked & the reply was the dog was a ventriloquist, everyone laughed – it was late & they'd partaken of a few drinks.

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

Dundee's Rant of The Week

The people for who I feel the sorriest are the Islamic suicide bombers, not because they choose to die but because they choose to live with 72 bloody virgins. Most girls are ridiculously giggling stupid until they have a root & these stupid bastards want to live with 72 of them. Then what about the female bombers, do they get to live with 72 virgin young blokes? What a disaster – there'd be cum everywhere – most young blokes have trouble getting it out of their pants if they see a horny woman, although, I suppose if the bombers are wearing those black post office boxes, there wouldn't be too much excitement.

Snickers' Serious Scientific Summations

Snickers has been seconded by the climate change loonies to investigate ways of slowing the gulf stream, which is melting the ice in the arctic & causing the greening of Greenland.
