Circle Report

Hannibal, began his dissertation by telling us that his horoscope for the week would be Leo, which, he suggested “they would have their bumhole open superwide whilst having a shit” – excellent turn of phrase from our religious cleric. He then started on Oatley as being one of the many suburbs where **Holeproof** had a root, another astounding revelation & then he rambled on about festive lady parts, pleasure grounds or pleasuring grounds as he remembered them, Oatley Baths, which opened in 1908 & had white ladies being bitten by box jelly fish – they must have bloody long tentacles because they’re rarely seen south of Cairns. Then he became really eloquent & started talking about snatch, suckers & swelling & the local scout hall, which housed copious supplies of asbestos. Oh and Oatley had a railway station erected in 1910.

He was also peeved at **Bingo** calling him a chauvinist in last week’s trash – unbelievable misconception.

Run Report

Saint was elected to handle the last rites for the run in her thongs & stated the run wasn’t long but was extremely well marked – there’s a first the aforementioned complaining the run was too short, usually she’s looking for a short cut home after a 100 metres. It was short on On Backs but countered with many checks. She gave the run 9 out of 10.

Bingo was nominated by **Pig** for actually checking twice on the run.
Slotcard was nominated by **Holeproof** for taking any notice of **Slops**.

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

Dundee's Rant of The Week

True story posted on the freakonomics blog in the New York Times: A young unmarried girl from Alabama had a child (girl) from unknown father & decided to call her "Shetade" but on the birth certificate spelt it "Shithead". After fighting her way through school & college she joined the Birmingham Hash House Harriers where they renamed her "Mary".

The first part's true but I made up the last part.
