## Circle Report

**Hannibal** reassumed his rightful position as the RA &, as usual, failed to arise a whimper from the prattling harriettes, who sounded like a flock (general) skein (if flying) or gaggle herd or corps (if grounded) of geese – these geese were all grounded so I'm going to call them a gaggle of gigglers. Eventually they ran out of things to talk about (miracle) & he was able to resume his sermon.

Engadine (Shire Heights) was founded in 1890 by Charles MacAlister – one of **Holeproof's** early bonks – who considered it such a lovely area that it reminded him of Engadine Valley in Switzerland, which was probably the reason it was so bloody cold tonight. It was the home of the Schlitzenfart (dunno) a musical sleigh ride known for eating dancing & horizontal folk dancing by the local youth, hence the development of Boy's Town, which was established for the benefit of the local harriettes.

On leaving Engadine, Sir Charles as he was now, moved to Cronulla, where he died of boredom & deafness cause he was living in a unit below **Joystick**.

## Run Report

**Grewsome** was selected to administer the last rites to the run because **Sir Les** was suffering from Amnesia or Alzheimers or something & decided to tell us all about his mother & her advice to him – if you've nothing good to say don't say anything – but then proceeded to tell us he ran for over 30 minutes before he caught up with the pack because he was late & as that was only a quarter way into the run so we must've run for over 2 hours.

There were some exciting experiences such as finding dual on backs set not by the hare but by his dutiful & overworked bride, who was then given a small thanks from the hare or otherwise he would've been removed from the work bench just as he has for the past 5 years.

The RR then informed us of where one of **Rexy's** early conquests resided for which she was forever rewarded with his illustrating of the road with "4 Rex" & an Elephant stamp. He then ran past the hare's old abode, where many a party was held just after the Annual Turkey Gobble, which occurred at the time of the footie Grand Final. The events were unremembered by anyone.

He offered the run 9.5 out of 10 but removed points for every 100 metres of hills, which reduced the score to 2.5 – about the same as the Dragons average in the second half of games.

**Visitors:** - Jenny & Greg from somewhere north of general civilisation, Jaguar, DNF & Oswald from the local gutter.

Athletes: - None

Birthdays: - None

New Shoes: - Joker & I'll keep mentioning it until he gets to drink out of them.

## Prickette and Prick nominations

**Rexy** was nominated by **Duck** for perving on the young blokes in the local Gym not realising they're all homo's & think women are something that stares at them from car parks.

**Rabbit** was nominated by **Pig** for forgetting her runners & having to wear her UGG boots on the run.

**Moa** was nominated by **Blondie** for getting her pissed on Saturday night.

**Blondie** was nominated by **Grewsome** for not realising she was pissed.

**Grewsome** was nominated by **Pig** for complaining about the length & hills on the run when his wife set the trail & never complained but he hadn't been home since so things probably changed.

**Pig** was nominated by **Rexy** for having his wife set the run.

**Stopcock** was nominated by **Duck** for asking about the location of the restaurant of which he was standing in front.

**Sir Les** was nominated by **Moa** for asking her to book him into the Eagles night which was held on the previous Saturday.

## **Pricks – Stopcock & Blondie**

Jokes: - None

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its 80th Anniversary in September, 2018. Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known. Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only USD80.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

On On to the BIG 80th!!!

Hardy Boy Organising Secretary Motherhash's 80th Anniversary

Ps We strongly suggest, the real hashers register quickly before the Early Bird rate is all taken up – 518 at time of writing.

## Dundee's Rant of The Week

I was listening to some stupid politician trying to tell everyone that we should pay no attention to the give way to the right rule in roundabouts & only give way to those in the roundabout?? Am I missing something? Are there vehicles which enter from the left & turn right into roundabouts? If there are then I'm going to stop driving. All the roundabouts I've experienced turn left into them, which means everyone is on your right when you enter. How is this confusing to a politician? Oh that's it he was a politician.

## Snickers' Serious Scientific Summations

Snickers has been sighted attending Mount Rushmore in the Dakotas, which has me somewhat confused as I'm not sure as to viewing dead Presidents has with the meaning of life but all should be revealed next week on his return.
