MONDAY 25TH SEPTEMBER - RUN 1906 - BINGO'S 25TH ANNIVERSARY RUN

RA REPORT

When one thinks of Caringbah DUCK immediately comes to mind.

DUCK was an immigrant to Caringbah from Temora and spent his formative years there spending a lot of time with the local minister or looking at the speedos of fellow nippers.

Apparently school reports usually concluded with a sentence such as ' He has a queer manner about him'.

The other thing Caringbah is known for is the venue of BINGO'S 25th Hash run anniversary.

BINGO is a stalwart and informed us all she cleans the shower in the nude. That is not a euphemism.

I understand she cleans it once a day and twice on Sunday.

BINGO loves Caringbah and can often be found reading the newspaper in a quiet nook or heading down to the shops to get supplies.

25 years x 52 weeks x (you include the item) = the number of items consumed.

Every run BINGO has attended has commenced exactly at 6.30pm.

On On to BINGO.
