Run 1846 – 1<sup>st</sup>. August 2022

## Hare – Goon's Summer Hill Saunter

No bloody idea about all this but Rabbit put up her hand to help so, what you hear is predominately her & Doc & any other rubbish I think might be attributable. Any discrepancies will obviously be mine.

### Run Report

Tickle acted as run reporter, which would have obviously induced great laughter & horrible name calling from the rabble:

This, I presume, is exactly what was said as it's written as though it's in the first person – “I would like to nominate Goon for the Trade Commissioner of New York (another assumption that this had something to do with John Barrilaro).”

“Cold Duck gave a score of one so I will multiply that for a great run with lots of nooks & crannies & On Backs & I will award the run nine out of ten.” (now this is a bit difficult cause that's all Rabbit wrote about the run report & I now have to make more assumptions – as Tickle is a highly intelligent Hashwoman – yes I realise those last two words aren't generally synonymous - & she multiplied the one Duck gave by nine to make it nine out of ten?)

### Circle:

**Goon**, apparently, took the microphone to offer some history of the area – again in the first person - “I gotta text today with the usual warning about respecting the aboriginal area & have pictures that might cause you to get upset. They were from Holeproof, reminiscing about a run that I had set from Summer Hill ten years ago, where she & Pseudo had their first kiss in the car park.” Question here – was that before or after she got him pissed enough?

This is Doc's history report, which doesn't include Holeproof's misadventures:-

- \* 7kms west of the city CBD
- \* Original land grant was in 1794 to former convict gaoler Henry Kable one of the first hashmen – I've used the English term for jailer but my spell check thinks I should be a yank & so does Doc,
- \* Named by a land developer in 1876.
- \* Really started to grow with the opening of the railway in 1879.
- \* By 1920's it was relatively upper class suburb with large estates & mansions. (Holeproof's car park antics have reduced its standard).
- \* After the Harbour bridge was built most of the gentry moved to the north shore & many large estates were demolished or subdivided.

\* Still has over 100 heritage listings including the Lewisham Sewage Aquaduct & Holeproof's car park.

\* Large Italian influences in eastern & northern corner, with Asian, mainly Chinese, to the western end (Doc waving his hands around to help Bingo). The old Masonic Temple is now the Wong Tai Sin Temple.

\* Following removal of the Rainbow Crossing from Oxford St. to Darlington, parents & children in Summer Hill chalked up their own rainbow crossing on April 14 2013. Council workers removed it next day but it kept reappearing. By the end of May 2013, the council passed a motion to paint permanent outlines for community members to chalk & re-chalk after rain. The crossing doesn't cross a road or look like a crossing, which is useless just like most council things.

Then there was big thank you given to Moa & Bingo for the Christmas in July weekend as they were the only ones who mattered.

**This two-letter word in English has more meanings than any other two-letter word, and that word is 'UP.'** It is listed in the dictionary as an [adv], [prep], [adj], [n] or [v].

It's easy to understand **UP**, meaning toward the sky or at the top of the list, but when we awaken in the morning, why do we wake **UP**?

At a meeting, why does a topic come **UP**? Why do we speak **UP**, and why are the officers **UP** for election and why is it **UP**

to the secretary to write **UP** a report? We call **UP** our friends, brighten **UP** a room, polish **UP** the silver, warm **UP** the leftovers and clean **UP** the kitchen. We lock **UP** the house and fix **UP** the old car.

At other times, this little word has real special meaning. People stir **UP** trouble, line **UP** for tickets, work **UP** an appetite, and think **UP** excuses.

To be dressed is one thing but to be dressed **UP** is special.

And this **UP** is confusing: A drain must be opened **UP** because it is stopped **UP**.

We open **UP** a store in the morning but we close it **UP** at night. We seem to be pretty mixed **UP** about **UP**!

To be knowledgeable about the proper uses of **UP**, look **UP** the word **UP** in the dictionary. In a desk-sized dictionary, it takes **UP** almost 1/4 of the page and can add **UP** to about thirty definitions

If you are **UP** to it, you might try building **UP** a list of the many ways **UP** is used. It will take **UP** a lot of your time, but if you don't give **UP**, you may wind **UP** with a hundred or more.

When it threatens to rain, we say it is clouding **UP**. When the sun comes out, we say it is clearing **UP**. When it rains, it soaks **UP** the earth. When it does not rain for awhile, things dry **UP**. One could go on and on, but I'll wrap it **UP**, for now .

. . my time is **UP**!

Oh . . . one more thing: What is the first thing you do in the morning and the last thing you do at night?

**U**

**P!**

Did that one crack you **UP**?

**Two old friends were just about to tee off at the first hole of their local golf course when a guy carrying a golf bag called out to them, 'Do you mind if I join you? My partner didn't turn up.'**

**'Sure,' they said, 'You're welcome.' So they started playing and enjoyed the game and the company of the newcomer.**

**Part way around the course, one of the friends asked the newcomer, 'What do you do for a living?'**

**'I'm a hit man,' was the reply.**

**'You're joking!' was the response.**

**'No, I'm not,' he said, reaching into his golf bag, and pulling out a beautiful Martini sniper's rifle with a large telescopic sight. 'Here are my tools.'**

**'That's a beautiful telescopic sight,' said the other**

friend, 'Can I take a look? I think I might be able to see my house from here.' So he picked up the rifle and looked through the sight in the direction of his house.

'Yeah, I can see my house all right. This sight is fantastic. I can see right in the window.' 'Wow, I can see my wife in the bedroom... Ha Ha, I can see she's naked!! Wait a minute, that's my neighbor in there with her.....He's naked, too!!!'

He turned to the hit man, 'How much do you charge for a hit?'

'I'll do a flat rate, for you, one thousand dollars every time I pull the trigger.'

'Can you do two for me now?'

'Sure, what do you want?'

'First, shoot my wife, she's always mouthing off, so shoot her in the mouth.'

'Then the neighbor, he's a friend of mine, so just shoot his dick off to teach him a lesson.'

The hit man took the rifle and took aim, standing

perfectly still for a few minutes.

'Are you going to do it or not?' said the friend impatiently.

'Just be patient,' said the hit man calmly, 'I think I can save you a grand here

## The Rule Maker

Do you know who makes the rules? As sportsmen, it is absolutely imperative that in all of the sports we engage, we, without hesitation, play by the rules ...

We take care to understand the rules, we discuss the rules amongst ourselves, and we

study the rules.....As golfers, we are ruled by the rules ..Lord knows there are all kinds of rules in that game .And as citizens, we must follow the rule of law for so many things we do every day But just in case you have been pondering this, all your life, makes the rules, please note the following as to whom actually makes them...

*Bill and his wife Blanche go to the state fair every year,  
And every year Bill would say,  
" Blanche, I'd like to ride in that helicopter "  
Blanche always replied,  
" I know Bill, but that helicopter ride is fifty bucks,*

*And fifty bucks is fifty bucks! "*

*One year Bill and Blanche went to the fair, and Bill said,*

*" Blanche, I'm 85 years old. If I don't ride that helicopter, I might never get another chance "*

*To this, Blanche replied,*

*" Bill that helicopter ride is fifty bucks, and fifty bucks is fifty bucks "* The pilot overheard the couple and said,

*" Folks I'll make you a deal. I'll take the both of you for a ride. If you can stay quiet for the entire ride and don't say a word I won't charge you a penny!*

*But if you say one word it's fifty dollars. "*

*Bill and Blanche agreed and up they went.*

*The pilot did all kinds of fancy maneuvers, but not a word was heard. He did his daredevil tricks over and over again,*

*But still not a word...*

*When they landed, the pilot turned to Bill and said,*

*" By golly, I did everything I could to get you to yell out, but you didn't.*

*I'm impressed! "*

*" Well, to tell you the truth*

*I almost said something when Blanche fell out,*

*But you know,*

*Fifty bucks is fifty bucks! "*

HAVE YOU EVER BEEN GUILTY OF LOOKING AT OTHERS YOUR OWN AGE AND THINKING, SURELY I CAN'T LOOK THAT OLD. WELL

. . . YOU'LL LOVE THIS ONE.

MY NAME IS BERTHA , AND I WAS SITTING IN THE WAITING ROOM FOR MY FIRST APPOINTMENT WITH A NEW DENTIST.

I NOTICED HIS DDS DIPLOMA ON THE WALL, WHICH BORE HIS FULL NAME

SUDDENLY, I REMEMBERED A TALL, HANDSOME, DARK-HAIRED BOY WITH THE SAME NAME HAD BEEN IN MY HIGH SCHOOL CLASS SOME 35-ODD

YEARS AGO.

COULD HE BE THE SAME GUY THAT I HAD A SECRET CRUSH ON, WAY BACK THEN?

UPON SEEING HIM, HOWEVER, I QUICKLY DISCARDED ANY SUCH THOUGHT.

THIS BALDING, GRAY-HAIRED MAN WITH THE DEEPLY LINED FACE WAS WAY TOO OLD TO HAVE BEEN MY CLASSMATE.

AFTER HE EXAMINED MY TEETH, I ASKED HIM IF HE HAD ATTENDED MORGAN PARK HIGH SCHOOL.

'YES. YES, I DID.. I'M A MUSTANG,' HE GLEAMED WITH PRIDE. WHEN DID YOU GRADUATE?' I ASKED.

HE ANSWERED, 'IN 1975. WHY DO YOU ASK?'

YOU WERE IN MY CLASS! ', I EXCLAIMED.

HE LOOKED AT ME CLOSELY.

THEN, THAT UGLY, OLD, BALD, WRINKLED FACED, FAT-ASSED, GRAY-HAIRED,

DECREPITSON-OF-A-BITCHASKED,

'WHAT DID YOU TEACH???'

Is sex work??

An RAF Group Captain was about to start the morning briefing to his staff.

While waiting for the coffee machine to finish its brewing, the Group Captain decided to pose a question to all assembled. He explained that his wife had been a bit frisky the night before and he failed to get his usual amount of sound sleep. He posed the question of just how much of sex was "work" and how much of it was "pleasure?"

A Wing Commander chimed in with 75-25% in favour of work.

***A Squadron Leader said it was 50-50%.***

***A Flight Lieutenant responded with 25-75% in favour of pleasure, depending upon his state of inebriation at the time.***

***There being no consensus, the Group Captain turned to the Corporal who was in charge of making the coffee. What was his opinion?***

***Without any hesitation, the young Corporal responded, "Sir, it has to be 100% pleasure." The Group Captain was surprised and, as you might guess, asked why?***

***"Well, sir, if there was any work involved, the officers would have me doing it for them."***

***The room fell silent.***

***God Bless the lower ranks***

## **Leviticus** - what to do?

In her radio show, Dr Laura Schlesinger said that, as an observant Orthodox Jew, homosexuality is an [abomination](#) according to Leviticus 18:22, and cannot be condoned under any circumstance. The following response is an open letter to Dr. Laura, penned by a US resident, which was posted on the Internet.

Dear Dr. Laura:

Thank you for doing so much to educate people regarding God's Law. I have

learned a great deal from your show, and try to share that knowledge with as many people as I can. When someone tries to defend the homosexual lifestyle, for example, I simply remind them that Leviticus 18:22 clearly states it to be an abomination .... End of debate.

I do need some advice from you, however, regarding some other elements of God's Laws and how to follow them.

**1. Leviticus 25:44 states that I may possess slaves, both male and female, provided they are purchased from neighboring nations. A friend of mine claims that this applies to Mexicans, but not Canadians. Can you clarify? Why can't I own Canadians?**

2. I would like to sell my daughter into slavery, as sanctioned in Exodus 21:7. In this day and age, what do you think would be a fair price for her?

3. I know that I am allowed no contact with a woman while she is in her period of Menstrual uncleanness - Lev15: 19-24. The problem is how do I tell? I have tried asking, but most women take offense.

**4. When I burn a bull on the altar as a sacrifice, I know it creates a pleasing odor for the Lord - Lev.1:9. The problem is my neighbors. They claim the odor is not pleasing to them. Should I smite them?**

5. I have a neighbor who insists on working on the Sabbath. Exodus 35:2 clearly states he should be put to death. Am I morally obligated to kill him myself, or should I ask the police to do it?

6. A friend of mine feels that even though eating shellfish is an abomination, Lev. 11:10, it is a lesser abomination than homosexuality. I don't agree. Can you settle this? Are there 'degrees' of abomination?

7. Lev. 21:20 states that I may not approach the altar of God if I have a defect in my sight. I have to admit that I wear reading glasses. Does my vision have to be 20/20, or is there some wiggle-room here?

8. Most of my male friends get their hair trimmed, including the hair around their temples, even though this is expressly forbidden by Lev. 19:27. How should they die?

9. I know from Lev. 11:6-8 that touching the skin of a dead pig makes me unclean, but may I still play football if I wear gloves?

10. My uncle has a farm. He violates Lev.19:19 by planting two different crops in the same field, as does his wife by wearing garments made of two different kinds of thread (cotton/polyester blend). He also tends to curse and blaspheme a lot. Is it really necessary that we go to all the trouble of getting the whole town together to stone them? Lev.24:10-16. Couldn't we just burn them to death at a private family affair, like we do with people who sleep with their in-laws? (Lev. 20:14)

I know you have studied these things extensively and thus enjoy considerable expertise in such matters, so I'm confident you can help. Thank you again for reminding us that God's word is eternal and unchanging.

Your adoring fan,  
James M Kauffman, Ed.D. Professor Emeritus, Dept. Of Curriculum,  
Instruction, and Special Education University of Virginia

## "Morning Sex"

She was standing in the kitchen, preparing our usual soft-boiled eggs and toast for breakfast, wearing only the 'T' shirt that she normally slept in.

As I walked in, almost awake, she turned to me and said softly,

**“You’ve got to make love to me this very moment!”**

My eyes lit up and I thought, "I am either still dreaming or this is going to be my lucky day!"

Not wanting to lose the moment, I embraced her and then gave it my all; right there on the kitchen table.

Afterwards she said, "Thanks," and returned to the stove, her T-shirt still up around her neck.

Happy, but a little puzzled, I asked,

*"What was that all about?"*

*She explained,*

*"The egg timer's broken."*
