Hare – Dundee's Woollooware Waddle

Another cool evening saw a slowly growing pack assemble in & outside the Golf Club, which, initially looked like only 4 runners but as 6:30 approached, the Grewsome/Scotch Mist clan arrived with Tickle & Short & Curly expanded the run group to 10.

Dirty Weekend was called away just before the start, reducing the walker/talker numbers but close to 30 attended the circle & dinner.

Hannibal was a late arrival due to traffic problems, which had him trail the W/T group but, as he was closing in on them, walked through an On Back & finished up walking the wrong way round the golf club on his own.

Run Report

Another cold night as we gathered at the Golf Club for Dundee's run. Dundee's had stepped up after suffering the dreaded COVID the week before and even missed the Christmas in July.

With only an online map, Dundee offered to be Trail Master as we headed out of the carpark toward North Caringbah. Cold Duck took over from Dundee and ran across Gannons Road against the lights, giving Cameron and Andrew a valuable lesson on what **not** to do.

Around the streets we went with plenty of On Backs and checks and as we headed for towards Caringbah Station, Cold Duck, Tickle, Hell I Smell her and Short N Curly peeled off and headed back to the bucket.

Little did they know they would miss a spectacular fall with Andrew smashing into an electrical cover and falling to the ground. Luckily has was able to run the last part of the run back to the bucket and after some hot chocolate, he seemed to be recovering well.

I gave a well deserved 9/10.

Woollooware

📍 Is 24km South of the CBD

📍 Name derived from Aboriginal word Woolloowa, meaning

muddy track.

🕒 Originally covered in mud flats, salt marsh, tea tree and black wattle scrub.

🕒 According to Wikipedia it has an elevation of 36m above sea level (which I assume excludes many playing fields such as Endeavour Field Woollooware and Cronulla Golf Clubs) which were luckily built before swamps became wetlands and where players may need gumboots at high tide after heavy rains

🕒 Population is under 4000 in the 2016 Census, of which 80% were born in Australia and 4.4% born in England

🕒 The area was subdivided in 1939 after the railway station was built, but Wikipedia did not list any past or present locals of note (but the Wiki was written prior the reunion of the old Sharkies Players including the mighty Duck during the last weekend)

🕒 Wikipedia are also obviously not familiar with the small group of Bushes found south of Woollooware oval from the lunalot drinkalot species, or the Large flightless and often legless kiwi bird found in or around Woollooware Golf Club.

Prick of the Week

Bingo was nominated by Hannibal for knocking over Dundee's beer at the circle on purpose & not bothering to replace it.

Tickle was nominated by Grewsome for trying to recruit a posse in order to shortcut the run, the posse included Short & Curly but the male entourage, including Cam & Andy refused the offer. Andy is now wondering whether he should've taken it up. Scotch Mist was wondering why she wasn't offered the option.

Grenade was nominated by Merkin for playing with a dildo in the circle or something like that cause I couldn't hear it & Bingo had the phone too far away.

Andrew was nominated by Duck for pushing Sir Les on the run & ending up smashing into a green box thing, thereby creating much anguish from the group except for his mother & brother, who kept on running. It was an interesting nomination because Duck didn't see the collision & neither did his brother, who supported Duck's story.

Sir Les was nominated by Merkin for the Leichardt Oval disaster because he saw him during the week loosening the brickwork in the stand. Grewsome suggested he knows that S L regularly pisses on that part of the stand after having a few & so does Hannibal. But Hannibal suggested it was the female part of the stand, which makes no difference to what was said.

Winners – Grenade & Sir Les

Apres Circle:

Lots of rubbish being expounded, mostly by Bingo cause she was the closest to phone. The men at the table, mainly Goon, Hannibal & Dundee started discussing the main topic of the day Rugby League & the problem concerning Ricky Stewart's calling of an opposition player "a weak gutted dog".

Bingo, who's knowledge of any sort of football could be written on the head of a pin in two inch block letters with a thick pencil, thought that the mere mention of dog must mean we were discussing man's best friend & completely changed the subject. She thought when she heard Stewart we were talking about Stewart Ayres????

Then Taxing asked the question as to who was going to win the premiership & the team with the most points in the grand final wasn't the right answer. So she persisted & was able to extract that Penrith was the team to beat at the moment but anything could happen between now & then.

Then Bingo told a story about her weekend away to see her father & was visiting her sister, who wasn't home but noticed a magpie standing at the back door, not going away so deduced her sister must've been feeding it. Hannibal says he gives his bird half of the apple the dog doesn't eat but turns up his nose at birdseed.

Now somehow, that & the previous dog, bit morphed into what some of our members feed dogs. Hannibal feeds his dog apples amongst other things. Blondie feeds her dog apples & the best fillet cuts & gives the scraps to Doc.

Hannibal then suggested his dog (he's a bit of a) the bit parts are his intelligence obviously as his breakfast preference is thickly cut meat slices topped with yoghurt, Now this can't be just any

yoghurt because he's been noticing some svelte Greek animals in the local park, so his preference is for Greek yoghurt.

Somehow then the discussion turned into who would get the most food if Bingo & Blondie's dog were eating at the same bowl. The consensus was Bingo would win.

Jokes

SO FROM THEN ON HE WAS CALLED 'SHAG'

Tiger Woods & Stevie Wonder are in a bar.

Tiger turns to Stevie and says, "How's the singing career going?"

Stevie replies, "Not too bad. How's the golf?"

Woods replies, "Not too bad, I've had some problems with my swing, but I think I've got that right, now."

Stevie says, "I always find that when my swing goes wrong, I need to stop playing for a while and not think about it. Then, the next time I play, it seems to be all right."

Incredulous, Tiger says, "You play GOLF?"

Stevie says, "Yes, I've been playing for years."

Tiger says, "But -- you're blind! How can you play golf if you can't see?"

Stevie Wonder replies, "Well, I get my caddy to stand in the middle of the fairway and call to me. I listen for the sound of his voice and play the ball towards him. Then, when I get to where the ball lands, the caddy moves to the green or farther down the fairway and again I play the ball towards his voice."

But, "how do you putt" asks Tiger.

"Well", says Stevie, "I get my caddy to lean down in front of the hole and call to me with his head on the ground and I just play the ball toward his voice."

Tiger asks, "What's your handicap?"

Stevie says, "Well, actually -- I'm a scratch golfer."

Woods, incredulous, says to Stevie, "We've got to play a round sometime."

Stevie replies, "Well, people don't take me seriously, so I only play for money, and never play for less than \$10,000 a hole. Is that a problem?" Woods thinks about it and says, "I can afford that; OK, I'm game for that.. \$10,000 a hole is fine with me. When would you like to play?" Stevie Wonder says, "Pick a night."

The Arrogance of Authority

A DEA officer stopped at a ranch in Texas , and talked with an old rancher. He told the rancher, "I need to inspect your ranch for illegally grown drugs." The rancher said, "Okay , but don't go in that field over there....." as he pointed out the

location.

The DEA officer verbally exploded saying, "Mister, I have the authority of the Federal

Government with me !"

Reaching into his rear pants pocket, he removed his badge and proudly displayed it to the rancher.

"See this badge?! This badge means I am allowed to go wherever I wish.... On any land

No questions asked or answers given!! Have I made myself clear.....do you understand?!!"

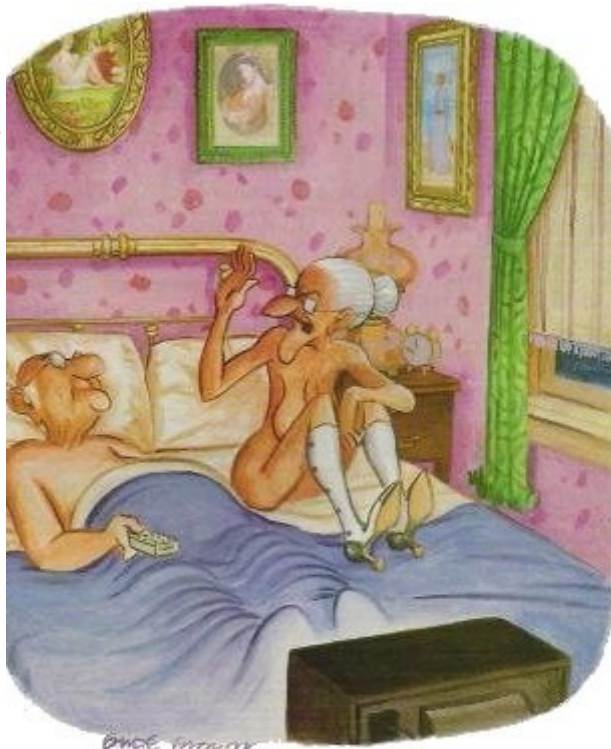

The rancher nodded politely, apologized, and went about his chores.

A short time later, the old rancher heard loud screams, looked up, and saw the DEA officer running for his life, being chased by the rancher's big Santa Gertrudis bull.....

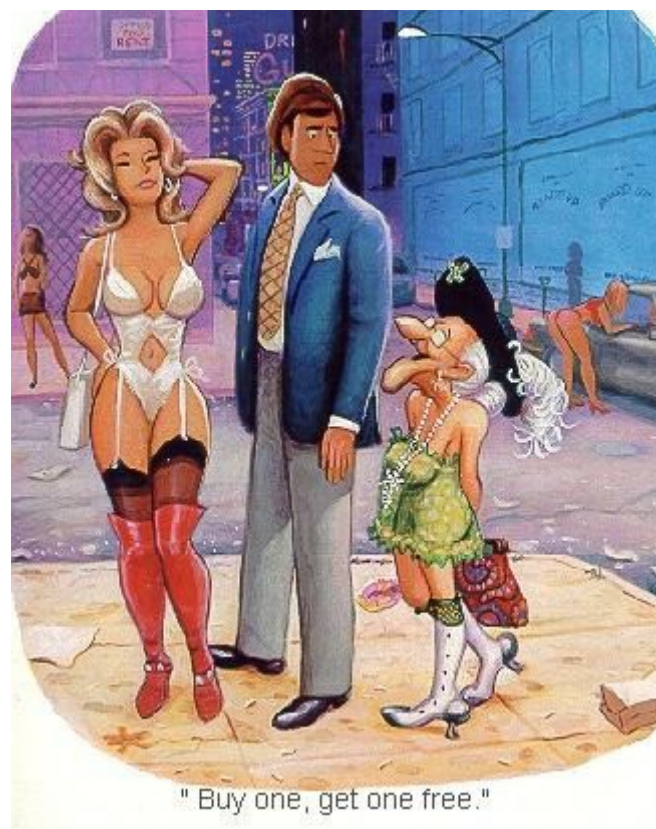

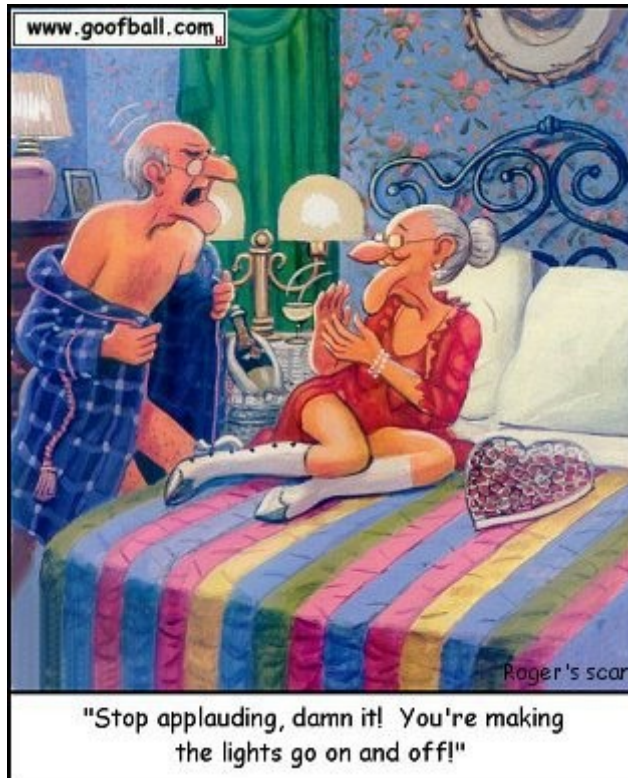

With every step the bull was gaining ground on the officer, and it seemed likely that he'd sure enough get gored before he reached safety. The officer was clearly terrified.

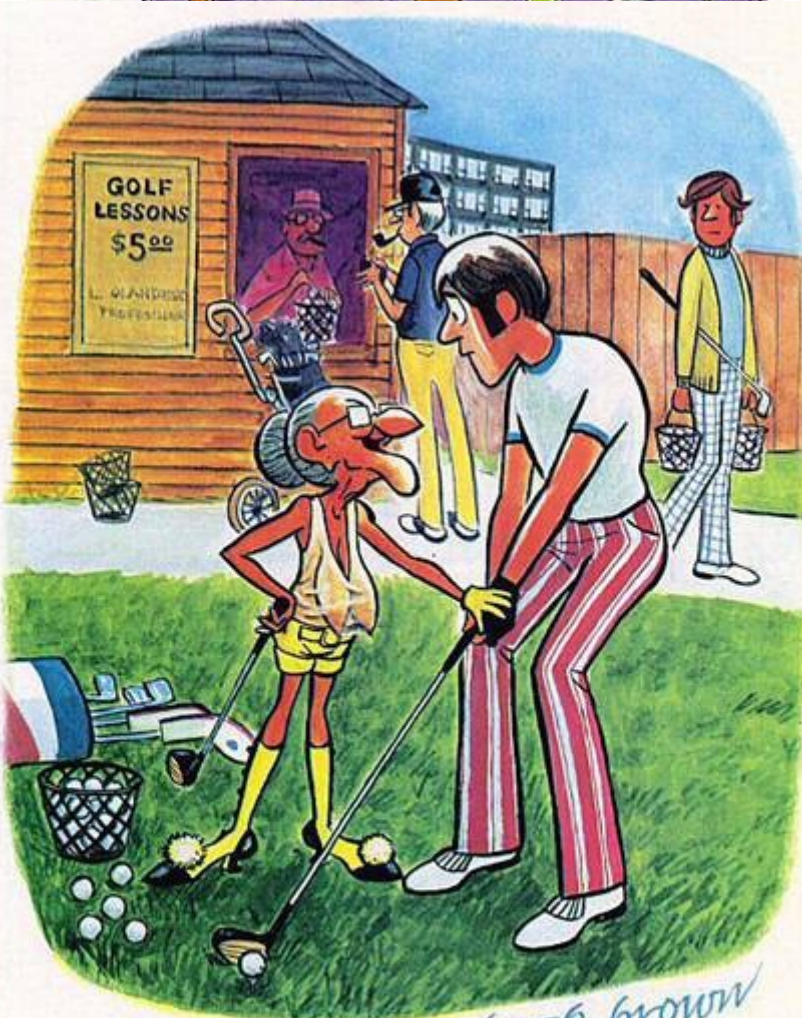

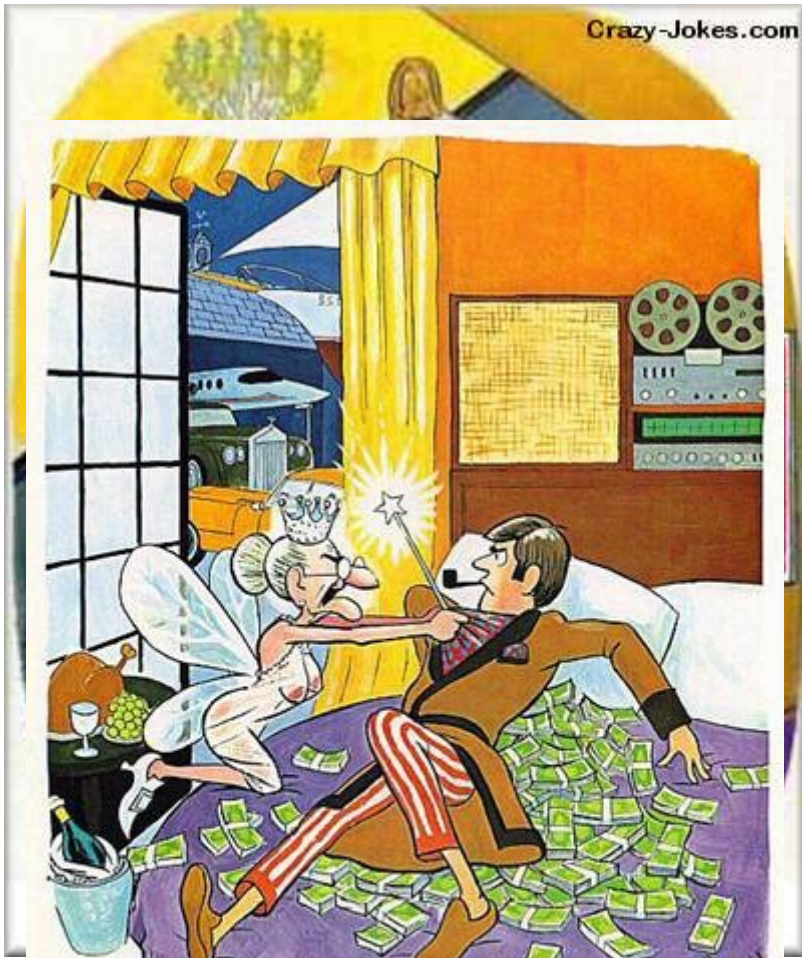

The rancher threw down his tools, ran to the fence and yelled at the top of his lungs.....

*"Your badge,
show him your
fuckin'
BADGE..... ! !"*

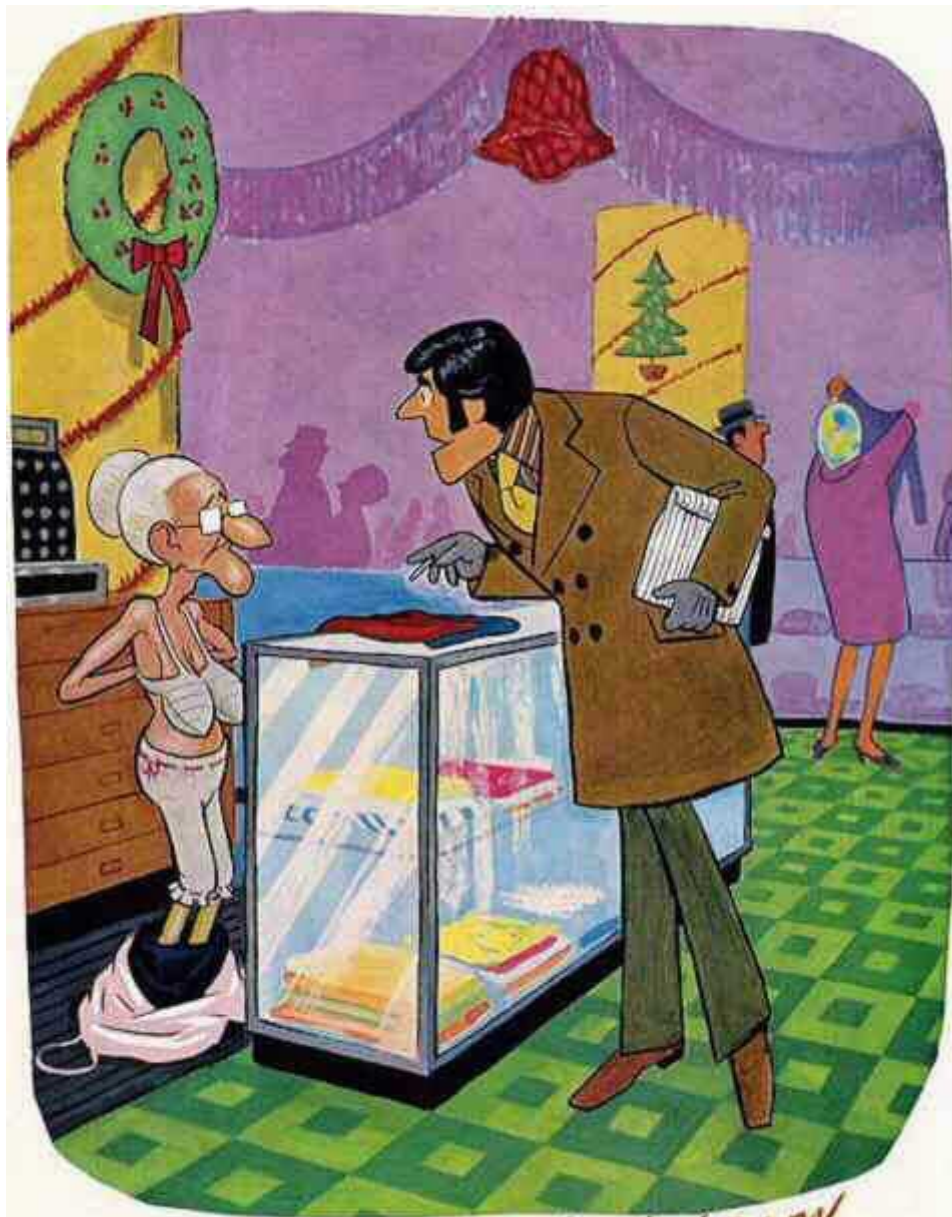

"If sex was an Olympic event, you'd be a natural---once every four years."

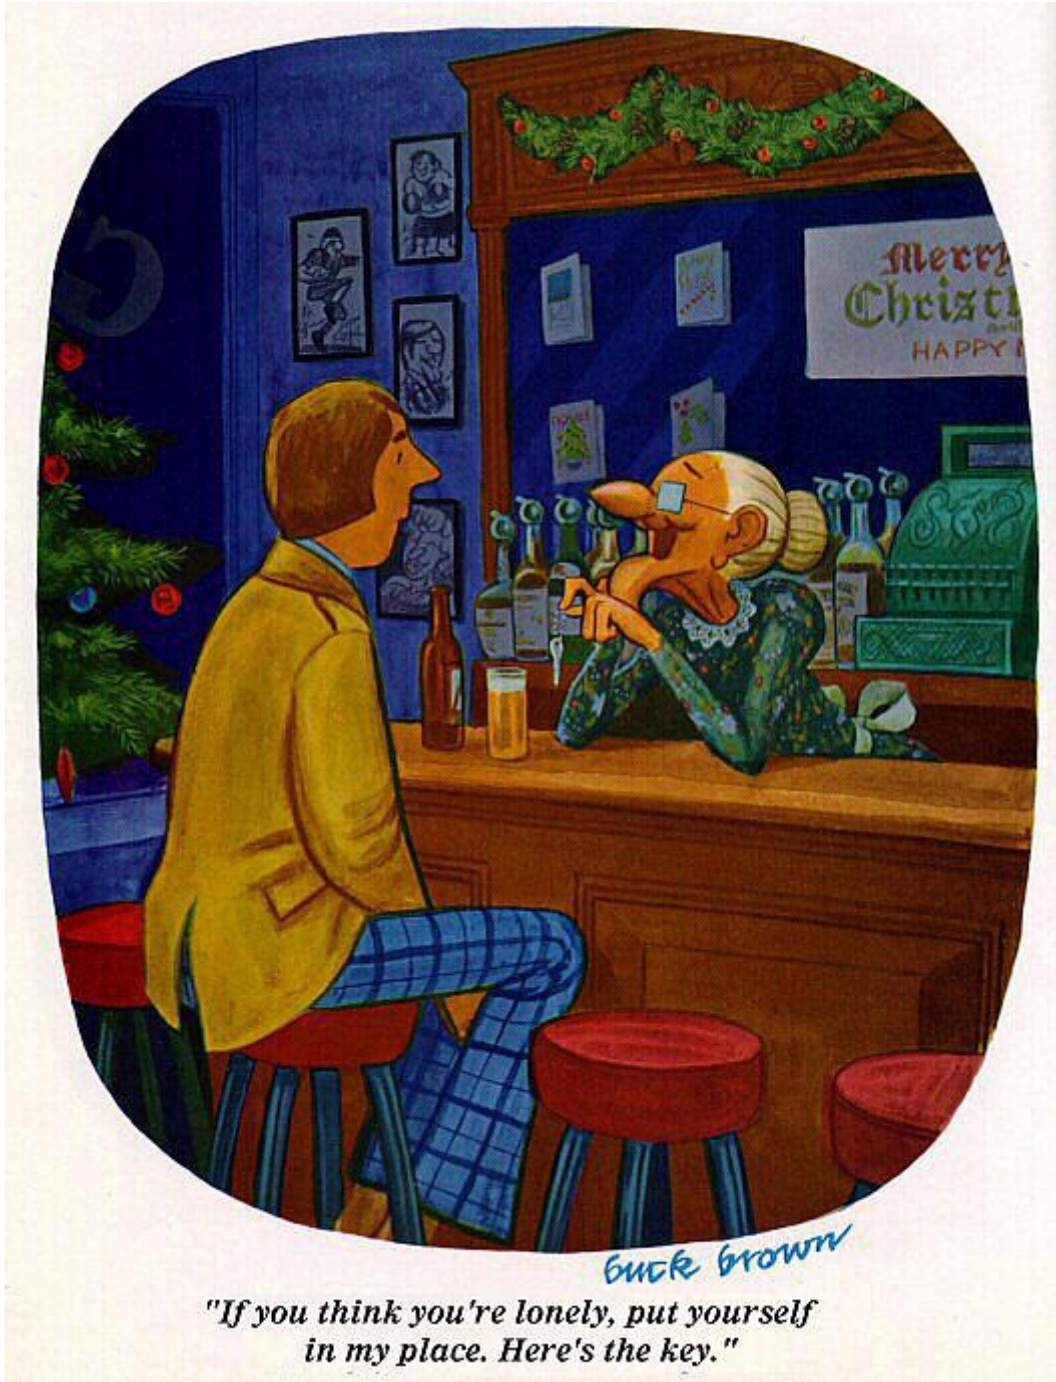

BUCK BROWN

"Listen, let's put away these silly clubs, run up to my place and then you can really show me how to swing!"

BUCK BROWN

"Ma'am, when I asked for a little box, I meant something to put my purchases in."
