Run 1852 – 12th. September 2022

Hare – Hot Dick's Hairy Dilema

Hot Dick had chosen a somewhat difficult venue to start the run. As we all know Randwick is a highly populated suburb with much medium & high density so, selecting a park with adjacent parking, was an effort of some proportion.

Despite the parking problems a good sized pack assembled to attend what was to be the Hare's first run setting with us & some interesting if difficult trail decisions & the obviously hilly terrain suggesting this would be an undertaking of some pain.

Over to Merkin:

Run Report

Parking was at a premium as we gathered at the park just up from the DOG for Hot Dick's run around Clovelly and Randwick.

Hot Dick has spent an hour and a half setting the trail and gave the everyone plenty of notice before the start that they could short cut at several spot, however many were sceptical. Luckily, the runners were joined by Canookie and Bingo who offered their local knowledge to get us around the trail.

As the pack headed off towards the DOG, we hit the first of many checks and a few mystery checks. For those not in the know a Mystery Check is one were there is no check, just a blank corner.

Up and down stairs and hills, Hot Dick, Ice Box, Dundee, Scotch Mist, Cameron, Andrew Cold Duck, Sir Les and Rabbit and Tickle made our way down towards Clovelly baths.

In the meantime Sir Les joined the walkers including Slotcard, QR, Stop Cock, Dirty Weekend,, Hannibal, Doc, Blondie, Goon, Goldmark and Sniffer Dog, who was just back from overseas, for a walk around the trail.

Hot Dick was able to keep the pack together and awarded a well deserved 9.5/10 for the run.

Circle:

Doc called Circle up & asked for the run number, then called on Duck for the run report, who then passed to Bingo, who knew nothing about it, until Merkin stepped in took control as he'd forgotten to pass on the role.

And as he's going to send me the run report I'm not going to reiterate what it may or may not contain here.

So over to Doc:

What's in a name @ Randwick-Coogee

🕒 Like the British Monarchy and popes, Hashers are known for adopting a new name when they take on the role as a hasher. The hidden gully called Fred Hollows Reserve is well known by us hashers, but did you know it was originally known as Glebe Gully until it was renamed in memory of Fred Hollows. Fred was born in New Zealand but then moved to Australia in 1965 and lived near here in Alison Road in the historic Farnham House.

🕒 The Duke of Gloucester hotel was originally known as the Oxford Randwick hotel. It was renamed in honour of Prince Henry, Duke of Gloucester when he visited Australia in 1934. He was also known as Earl of Ulster and Baron Culloden, linking him to England, Northern Ireland and Scotland. The Duke was well known for hosting wild parties and drinking too much. His official biographer wrote "He did not eschew a glass of whisky ... or the occasional blasphemous oath"

🕒 The Duke became is the only member of the royal family to be appointed Governor-General of Australia.

🕒 The Duke of Gloucester Hotel is better known as the Dog, because it's too hard to spell Gloucester when you call for a cab.

Pricks of the Week

Blondie was nominated by Doc for celebrating the Queen's passing & feeling rather poorly so said she wasn't going to do the run tonight. New buggy but didn't know how to construct it & we all wondered why that was strange cause she's a woman. She could've been nominated as well for not liking the beer.

Canookie was nominated by Duck for only living around the corner but driving to the run & parking further away than she would've if she had've walked (I made up that last bit cause otherwise it didn't make sense).

Hot Dick was nominated by Duck for setting the run with invisible checks & he was given notice that we all have trouble following trail with plenty of arrows let alone handling invisible bloody checks.

Sir Les was nominated by Merkin for feigning injury cause he thought the run would be too hilly & he might hurt his hamstring or stub his toe (I just made all that up as well).

Cam & Andy were nominated by Duck for allowing their mother to shortcut them home when the nomination should've been for Scotch Mist for using her children to allow her to shortcut.

Duck was nominated by Cam for suggesting he should disregard his mother's orders & follow his, which would've meant a loss of many gifts, including his ability to walk again for some months.

Winners – **Blondie & Duck**

Apres Circle:

Dundee & Bingo were discussing why the footie teams in the ARLW continue to use male oriented names & she suggested the Newcastle Knights (her team) should be called the Newcastle Amazons & not just because most of them fit the model.

Accordingly I thought it should be something we all consider for the other teams such as the Penrith Pussy Cats or the Melbourne Sun Sprinklers etc. Looking for some more suggestions please.

Sir Les was to advise that he would be taking a short few months leave from us to explore the regional delights of the state, which would be called his wondrously wacky weary wet wander. Starting in Gundagai (Rabbit thought it was Gunnedah but she's a woman, with no sense of direction as his next stop would be Batlow to taste the apples), then across the Murray to Mildura & up the Silver City Highway to Broken Hill.

Checking out the lakes in Menindee before heading north again to Milparinka & Tibooburra & then who knows because, with the weather suggesting another La Nina & understanding what the wet does with red soil, Sir Les deciding he would use his tent to camp & the possible interference of the occasional country bonk, who knows where he may finish?

Anyway, he's promised to remain unshaven & unwashed for the entire trip & will give me weekly updates for the Trash so we may not want to see him again.

WHERE DO RED-HEADED BABIES COME FROM?

After their baby was born, the panicked father went to see the Obstetrician. 'Doctor,' the man said, 'I don't mind telling you, but I'm a little upset because my daughter has red hair. She can't possibly be mine!!'

'Nonsense,' the doctor said... 'Even though you and your wife both have black hair, one of your ancestors may have contributed red hair to the gene pool.'

'It isn't possible,' the man insisted. 'This can't be, our families on both sides had jet-black hair for generations.'

Well, said the doctor, let me ask you this:

How often do you have sex???"

The man seemed a bit ashamed.. 'I've been working very hard for the past year. We only made love once or twice every few months.'

'Well, there you have it!' The doctor said

confidently....

"It's Rust."

A young man shopping in a supermarket noticed a little old lady following him around. If he stopped, she stopped. Furthermore she kept staring at him.

She finally overtook him at the checkout, and she turned to him and said, "I hope I haven't made you feel ill at ease; it's just that you look so much like my late son."

He answered, "That's okay."

"I know it's silly, but if you'd call out 'Good bye, Mum' as I leave the store, it would make me feel so happy."

She then went through the checkout, and as she was on her way out of the store, the man called out, "Goodbye, Mum."

The little old lady waved and smiled back at him.

Pleased that he had brought a little sunshine into someone's day, he went to pay for his groceries. "That comes to \$221.85," said the clerk..

"How come so much? I only bought 5 items."

The clerk replied, "Yeah, but your Mother said you'd be paying for her things, too."

I was in an English pub on Saturday night.

Had a few....

I noticed two large women by the bar.

They both had strong accents so I asked, "Hey, are you two ladies from Scotland?"

One of them chirped: "It's WALES you friggin' idiot!"

So, I immediately apologized and said..., "Sorry, are you two whales from Scotland?"

That's the last thing I remember...

Here's something to think about. I recently picked a new primary care doctor. After two visits and exhaustive lab tests, he said I was doing 'fairly well' for my age. (I just turned Seventy-something.)

A little concerned about that comment, I couldn't resist asking him, 'Do you think I'll live to be 80?'

He asked, 'Do you smoke tobacco, or drink beer, wine or

hard liquor?'Oh no,' I replied. 'I'm not doing drugs, either!'Then he asked, 'Do you eat rib-eye steaks and barbecued ribs?

I said, 'Not much... my former doctor said that all red meat is very unhealthy!'"Do you spend a lot of time in the sun, like playing golf, boating, sailing, hiking, or bicycling?' 'No, I don't,' I said.He asked, 'Do you gamble, drive fast cars, or have lots of sex?"No,' I said... He looked at me and said,.. ' Then, why do you even give a shit?

My dear husband:

I'm writing this letter to tell you that I'm leaving you.

I've been a good wife to you for the last 20 years and I have nothing to show for it, and the last 2 weeks have been hell.

Your boss called to tell me that you left your job today which was the last straw.

Last week, you came home and you didn't even notice I had a new hairstyle, had cooked your favourite meal and even wore a brand new nightie.

You ate in 2 minutes and went straight to sleep after watching your TV shows.

You don't tell me you love me anymore; you don't want sex or anything that connects us as husband & wife.

Either you're cheating on me or you don't love me anymore; whatever the case, I'm gone.

Your ex-wife.

PS, Don't try to find me, Your BROTHER and I are moving to Invercargill together! Have a great life!

REPLY:

Dear ex-wife

Nothing has made my day more than receiving your letter.

It's true you & I have been married for 20 years, although a good woman is a far cry from what you've been.

I watch TV shows so much because they drown out your constant whining & bitching. Too bad that doesn't work.

I DID notice when you got a hair do last week, but the 1st thing that came to mind was 'You look just like a boy!' Since my father raised me not to say anything, if you can't say something nice, I didn't comment.

And when you cooked my favourite meal, you must have got me confused with MY BROTHER because I haven't eaten pork for 7 years.

About the new nightie: I turned away from you because the \$49.99 price tag was still on it and I prayed it was a coincidence that my brother had just borrowed \$50 from me that morning.

After all of this, I still loved you and felt we could work it out. So when I won the \$20 million Lotto on Saturday, I left my job and bought 2 tickets for us to Jamaica , but when I got home you were gone. Everything happens for a reason, I guess.

I hope you have the fulfilling life you always wanted. My lawyer said that the letter you wrote ensures you won't get a dollar from me.

So take care.

Signed,

Your ex-husband, rich and free!

P.S. I don't know if I ever told you this, but my brother Carl was born Carla. I hope that's not a problem.

The other day someone told me that I could make ice cubes with leftover wine. I was confused... what is leftover wine?

Psychopath Test

Read this question, come up with an answer and then scroll down to the bottom for the result. This is not a trick question It is as it reads. No one I know has got it right.

A woman, while at the funeral of her own mother, met a guy whom she did not know. She thought this guy was amazing. She believed him to be her dream guy so much, that she fell in love with him right there, but never asked for his number and could not find him. A few days later she killed her sister.

Question: What is her motive for killing her sister?

[Give this some thought before you answer]

Answer:

She was hoping the guy would appear at the funeral again. If you answered this correctly, you think like a psychopath. This was a test by a famous American Psychologist used to test if one has the same mentality as a killer. Many arrested serial killers took part in the test and answered the question correctly. If you didn't answer the question correctly, good for you. If you got the answer correct, please let me know so I can take you off my email list.
