Run 1855 – 3<sup>rd</sup>. October 2022

## Hare – Slops Short Spring Saunter

Holiday weekend, people traveling all over the countryside etc reduced the normal patronage to our Kogarah runs, which were bolstered a little this time with the return of White Pointer, over from the west to visit offspring & the Curtseying family – daughter Wallaby & grandson Guinea (not sure if that's how it's spelled).

Meeting inside the pub & interested in tasting the new chef's menu, we were asked to pre-order from a restricted menu, which became understandable given the chef was on his own.

6:29 Duck blew his Duck call, in order to upset Bingo, who was waiting for the chimes on her watch reaching 6:30 & we all groaned & stumbled up the steps sans torches for the first time in six months..

Over to Merkin:

### Run Report

RUN 1854 – SLOPS – KOGARAH HOTEL

Labour Day Holiday and those keen for a run or walk gathered at the Kogarah Hotel for Slops first run for the year.

I was a little concerned just before 6.30pm when the only runners there were Cold Duck, Dundee, Bingo and myself. Luckily, Hot Dick, Ice Box, Curtsing, his daughter Wallaby and grandson Hugo turned up just before we headed off.

Setting the early pace, Dundee headed towards the St George Hospital and hit the first of many on backs. This kept the walkers including Hannibal, Sniffer, Grenade (see I remembered), Stopcock, Venus, Rabbit, QR, Blondie and Ringless and his crotch hot on his heels.

Plenty of onbacks and checks kept the pack together, until we got to the Princes Highway, where Cold Duck decided the run was going to the St George Leagues Club and crossed the busy highway. Only then did he realise the rest of the pack had continued along the northern side of the highway back towards the bucket.

As we gathered at the usual bucket spot, the angry occupant of the premises decided that if she pays the rent for the carpark, then the Hashers weren't going to use it for the bucket. I don't think she would ever be allowed to become a hasher after that performance.

Anyway after the bucket fiasco, Hannibal awarded a 10/10 to Slops for a great run.

On On Merkin.

## **Circle:**

Stand in RA, Bingo (Doc was crook) called the group to order then explained that she didn't know anything about Kogarah or anywhere else in Sydney actually & wouldn't be giving a report on the suburb. But then she gave an oral advertisement for the pub & tavern as being great because she, Grenade & Slops regularly visit it, which would probably be a good reason for the rest of us not to attend.

So she called on Hannibal, who decided to run for 150 metres at the start of the run, to give his run report.

He led the pack out the lane, some people stupidly following Dundee to the first On Back, you should never do that (follow Dundee anywhere). Then he reckons he led the pack down the football ground, which meant he was now walking as we didn't go anywhere near the ground.

Well set trail, couldn't criticise any part of the run, plenty of bush & lots of hills, which suggested, at this time, that he was becoming delusional. Lots of steps, ran in with Sniffer & Ice Box, so gave the run a 9 plus an extra point for not being in the Shire. I've been listening to him sing the Hash song & he should've been deducted points for having a shitty singing voice.

## **Visitors**

**White Pointer, Wallaby & Guinea (Wallaby's son, Curtseying's grandson I'm not sure of the spelling but at 11 he's taller than his mum but doesn't run as fast).**

## **Birthdays**

**Ice Box & Dundee**

## **Athletes**

**None**

## **Pricks of the Week**

**Duck** was nominated by Merkin for playing with the traffic & running on the wrong side of the highway & trying to entice Dundee to do the same but he was too cunning (didn't really happen like that but I thought the nomination was pissweak.

**Rabbit** was nominated by Slops for handing out twisties in the circle cause he ate  $\frac{3}{4}$  of the packet, which suggested they must've been nice twisties.

## **Winners – Moa & Goon**

## **Apres Circle:**

The table began discussing conspiracy theories as we had the two best theorists in the community – Bingo & Grenade – to offer thoughts on a neighbour of Bingo, who, apparently always wears sun glasses, even in the dark & a fake beard. Question was asked

as to whether she had tested its fakeness by pulling on it but she was worried about the bulge in his jacket & thought he might be carrying.

This is different to the bulge in his pants, which suggested he was glad to see you & would've been less intimidating & might, in fact, be more acceptable.

Any way, this poor bloke is obviously trying to make a quid & has been making some noises that sounds, to Bingo, like he's building something in the unit, which will be explained later.

It should be noted here that this bloke has form in that he's renting but drives a Mercedes, which, to Bingo's mind, means he's up to no bloody good & causes her to very suspicious. Added to the above was an evening when he chundered over the steps leading to his apartment & had failed to clean it up, even after Bingo had slipped a note under his door informing him of his misadventure, which was completely ignored.

Not only was it ignored but the useless bastard refused to leave his premises over the next couple of days to clean up the mess, more conspiracy. Turns out the poor bugger lost his keys to the apartment &, being late on a friday night, couldn't get in touch with agency to get a new key, doesn't really make sense I know.

Another blow to his attempt at anonymity is his insistence on changing the lock to his door – he isn't the owner – which would preclude the agency or property owner access to the premises. Bingo knows all this because she monitors his every movement.

Now he has also has blocked off visibility to his balcony (he's on the third level) with a black adornment & she's noticed (if you have very good eyesight & powerful binoculars) that, at night, it looks as though he's growing something inside the premises – probably petunias.

He also doesn't appear to have a regular job as he's always home & was noticed carrying a couple of large black boxes containing what may be plants or weapons. If anyone has watched the Netflix series Mr Mercedes, we need to ensure Bingo is safe at all times please.

She also has another neighbour, who has a cat that she walks on a leash so maybe it's just the apartment block as there always seems to be police cars parked up the street.

Then we discussed the sheila who cut off her foot & threw it in the surf with her shoe in order to put off the investigations into her past misdeeds. So if you notice anyone walking around with a really bad limp (one foot 6 inches shorter than the other) then contact the police immediately.

And it was thought anyone as smart as her wouldn't have married the dope she did unless she had something in mind so there's a woman somewhere out there with a lot of money & a severely hampered walking gait.

**The baby wouldn't take it, so she said, "Come on, eat it all up or .. I'll have to give it to this nice man here."**

**Five minutes later, the baby was still not feeding, so she said, "Come on, honey. Take it or I'll give it to this nice man here."**

One of them screamed "It's WALES you IDIOT!"

So, I immediately apologized and said "Sorry, are you two whales from Scotland?"

That's pretty much all I remember.....

An Arab dies,, and by some error in his handling,, ends up in heaven.

He's stopped at the Pearly Gates by St Peter who says:  
"Sorry, but we don't allow Arab Muslims into Heaven".

"What?,,, replies the Muslim, and why not"?

"Well, we just don't, and that's it. **We're also short on Virgins**".

The Muslim complains and carries on until St Peter gets **really** fed up.

"Well,,, says St Peter, have you ever done anything good in your life"?

Ummm--the Muslim **ponders and** replies.

"Yes, the other day a lady stopped me on the street collecting for a children's charity so I gave her ten pounds".

Last week I donated ten pounds to the Cancer Society,

and a couple of weeks ago a tramp asked me if I could spare any money,,,

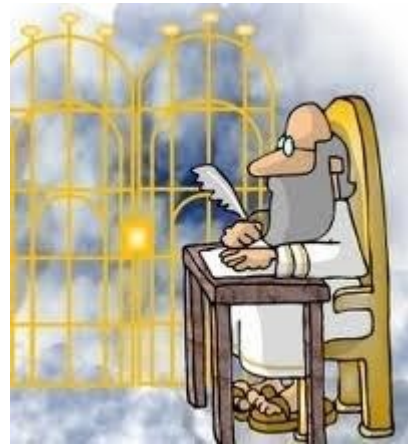

so I gave him ten pounds too"!

"Alrighty then, says St Peter,,, wait here and I'll have a quick word with God".

Five minutes later St Peter returns and says to the Muslim.

**Feeling pretty good about himself, the CEO looked around the room and asked, "Does anyone want to tell me what that goof-ball did here?"**

**From across the room a voice said, "Pizza delivery guy from Domino's."\***

My eyes lit up and I thought, "I am either still dreaming or this is going to be my lucky day!" Not wanting to lose the moment, I embraced her and then Gave it my all; right there on the kitchen table.

Afterwards she said, **"Thanks,"** and returned to the stove, Her T-shirt still around her neck. Happy, but a little puzzled, I asked, **"What was that all about?"** She explained, **"The egg timer's broken."**
