Hare – Grewsome's Gravelly Grovel

Many thanks to Grewsome for stepping into the breach once again (I think it's his fifth run this year) & a good selection pub, with above average meal menu. We all began arriving in the car park ready for a muddy bush run, which was promised by the Hare.

Run Report

RUN 1857 – GREWSOME – UNION PLACE JANALLI (Jannali)

The pack gathered at the old Jannali Hotel, now known as Union Place for Grewsome's first bush run since the start of day light savings.

Grewsome offered to do Trail Master due to 90% of the trail being through the bush and I was happy for the assistance.

The magnificent eight including Grewsome, Scotch Mist, Pig, Curtseying, Dundee, Cameron, Andrew and myself headed off for a loop around Janalli (Jannali) shopping centre before crossing the railway line and heading towards the bush.

As we crossed over the railway line we ran into the walkers who had been briefed on several shortcuts they could take to avoid the shiggy in the bush. Visitors including Climax and White Pointer were joined by Short N Curly, Doc, Blondie, Dish, Goldmark, Sniffer, QR, Slotcard Stop Cock Rabbit Grenade and Taxing, who was just back from holidays, around the streets of Janalli (Jannali) and Bonnet Bay.

Surprisingly all made it back without injury and scotch Mist provided the run report. Given she did at least 6 on backs we were all surprised when awarded 9/10 for the run.

Well done Grewsome .

Circle:

Doc called on Scotch Mist to handle the last rites to Grewsome's run, which, we assumed, might be clouded by the Hare's recent bed adventures & were astonished by the positive acceptance eloquently disgorged, thereby suggesting all was well on the bedroom front..

After coming to terms that Doc wasn't one of the seven dwarfs she suggested it went up & down & up & down (must've been thinking about later that night) there were an awful lot of

On Backs, which she, of the fleetness of foot, was forced to endure as the leader of the pack as her younger son, it's assumed, has gained superior knowledge of his father's ability to set many Checks & On Backs in order to keep the pack together so held back his usual enthusiasm.

She had no idea where she was any time (she is a woman) so was unable to shortcut but, keeping the pack together with all the Checks & On Backs & realising what might be available to her later in the cot, gave the run 9 out of 10.

Jannali

🕒 Is located 28km from the Sydney CBD

🕒 Is an Aboriginal word meaning the Place of the Moon

🕒 Development started here in 1878. The railway line between Como and Sutherland opened in 1885, but without a station at Jannali. Being a government project, Jannali station eventually opened only 46 years later in 1931, along with the only bridge across the line between Sutherland and Como.

🕒 Jannali became popular during the Depression with people who were forced from their city homes, but not too popular – There were still just over 6000 people living here in the 2016 census (75% born in Australia)

🕒 In the 80s and 90s had a squash centre with 10 courts. Jannali had one of the successful squash clubs in Australia.

🕒 Notable residents included:

o A Movie Critic - Bill Collins

o An Author - Clive James – after Kogarah

o A TV presenter - Ray Martin

Pricks of the Week

Scotch Mist was nominated by Pig for suggesting she did all the On Backs but he said she missed two

Climax & Sniffer were nominated by Grewsome for paying no attention to the map or the suggested route by the hare & even a phone call from him, to be off trail from the start & finishing late to the bucket. It was thought they were talking all the way – they are sisters so probably never get a chance to see or talk to each other. Then again how do you stop Sniffer from talking?

Dish was nominated by Pig for hiding so she wouldn't be nominated & complaining about hot chips.

Short & Curly was nominated by Pig for hiding in her car. & for impersonating Dirty by wearing a big jacket.

Cameron was nominated by Merkin for catching the train to Miranda but missing the stop by five stations & exiting at Jannali & by Scotch Mist for making her use the hack she set on his phone in order that she could check up on him regularly & finding him at the wrong station.

Winners – Cameron & Short & Curly

Apres Circle:

Nothing of any note this week, except the size of QR's pizza & for the delightful hostess with the longest braids in the world, when asked were they real she said she didn't know.

DUNDEE'S PONDER OF THE WEEK:

I realise there is an increasing array of illiterate people in our community, which is probably a reflection on their parental & teacher influences but what brings people in the media to quote such stupidities as these:-

"He's showing his skills by leading from the front" Doh!!!

"It's been a game of two halves" double Doh!!!

"He's not a rocket surgeon you know" triple Doh!!!

And I know sportsmen aren't supposed to be rocket scientists but read this lot:-

"I dunno. I never smoked any Astroturf."

-Tug McGraw, asked whether he preferred grass or Astroturf

"Raise the urinals."

-Darrel Chaney on how management could keep the Atlanta Braves on their toes

"Baseball is 90% mental -- the other half is physical."

"Yogi" Berra

"I want all the kids to do what I do, to look up to me. I want all the kids to copulate me."

-Chicago Cubs outfielder Andre Dawson on being a role model" I used to have this slight speech implement and couldn't remember things before I took the Sam Carnegie course." – I think the course is Dale Carnegie.

"I'm the football coach around here and don't you remember it."

"You guys line up alphabetically by height."

"You guys pair up in groups of three, then line up in a circle."

All the above from Florida baseball coach Bill Peterson.

"I may be dumb, but I'm not stupid."

-Former football player/announcer Terry Bradshaw

"We're not attempting to circumcise rules."

-Bill Cowher, Pittsburgh Steelers coach

"Nobody in football should be called a genius. A genius is a guy like Norman Einstein."

-Football commentator and former player Joe Theismann:

"I feel like I'm the best, but you're not going to get me to say that."

-Jerry Rice.

"We've got to find a way to win. I'm willing to start cheating."

-New England tight end Marv Cook.

"The shoulder surgery was a success. The lobotomy failed."

-Mike Ditka on quarterback Jim McMahon's surgery.

"Left hand, right hand, it doesn't matter. I'm amphibious."

-Charles Shackleford of the NCSU basketball team

"We're going to turn this team around 360 degrees."

-Jason Kidd

"[My] career was sputtering until [I] did a 360 and got headed in the right direction."

- NBA star Tracy McGrady, after signing with the Orlando Magic on Thursday.

"Are you any relation to your brother Marv?"

-Basketball player Leon Wood to announcer Steve Albert

"My sister's expecting a baby, and I don't know if I'm going to be an uncle or an aunt."

-Chuck Nevitt, North Carolina State basketball player, explaining to Coach Jim Valvano why he appeared nervous at practice, 1982

"Tom."

-Tom Nissalke, New coach of the NBA's Houston Rockets, when asked how he pronounced his name, 1966

"I quit school in the sixth grade because of pneumonia. Not because I had it, but because I couldn't spell it."

-Boxing great Rocky Graziano

Jokes

A father went to the hospital as his wife was having a baby.
Upon arriving he sits down, and the nurse says,
"Congratulations, your wife has had quins, 5 big baby boys."
The Redneck boastfully says,
"I'm not surprised, I have a penis the size of a chimney."
The nurse replies,
"You might want to consider getting it cleaned, the babies are black."

A teacher is explaining biology to her 4th grade students.

"Human beings are the only animals that stutter,' she says

A little girl raises her hand. 'I had a kitty-cat who stuttered.'

***The teacher, knowing how precious some of these stories
could become,
asked the girl to describe the incident.***

***"Well," she began, 'I was in the back yard with my kitty
and the Rottweiler that lives next door got a running start***

and before we knew it, he jumped over the fence into our yard!
'That must've been scary,' said the teacher.
'It sure was,' said the little girl.

***'My kitty raised her back, went "Ffffff!, Ffffff!, FfffffF,"
but before she could say 'Fuck-off !,' the Rottweiler ate her!***

I told this joke at Circle 15 years ago.

conversation in heaven

SYLVIA:
Hi! Wanda.

WANDA: Hi! Sylvia. How'd you die?

SYLVIA:
I froze to death.

WANDA: How horrible!

SYLVIA:
It wasn't so bad. After I quit shaking from the cold, I began to get warm & sleepy, and finally died a peaceful death. What about you?

WANDA: I died of a massive heart attack. I suspected that my husband was cheating, so I came home early to catch him in the act. But instead, I found him all by himself in the den watching TV.

SYLVIA:
So, what happened?

WANDA: I was so sure there was another woman there somewhere that I started running all over the house

looking. I ran up into the attic and searched, and down into the basement. Then I went through every closet and checked under all the beds. I kept this up until I had looked everywhere, and finally I became so exhausted that I just keeled over with a heart attack and died.

SYLVIA: Too bad you didn't look in the freezer ---we'd both still be alive.

Gonorrhea Lectim - New Deadly Disease.

One should be thinking about this seriously. The Centre for Disease Control has issued a warning about a new virulent strain of this old disease.

The disease is called "Gonorrhea Lectim". It's pronounced "Gonna re-elect em" and it is a terrible and deadly ailment.

The disease is contracted through dangerous and high risk behaviour involving putting your cranium up your rectum. Many victims contracted it in 2007. But now most people, after having been infected for the past few years, are starting to realize how destructive this sickness is.

It's sad because Gonorrhea Lectim is easily cured with a new drug just coming on the market called Votemout. Most people in Queensland took the first dose a couple of months ago but the second dose is due late next year.

Toward the end of the Sunday service, the Minister asked,

"How many of you have forgiven your enemies?"

80% held up their hands.

The Minister then repeated his question. All responded this time, except one man, an avid golfer named Walter Barnes, who attended church only

when the weather was bad.

"Mr. Barnes, it's obviously not a good morning for golf. It's good to see you here today. Are you not willing to forgive your enemies?"

"I don't have any," he replied gruffly.

"Mr. Barnes, that is very unusual. How old are you?"

"Ninety-eight," he replied. The congregation stood up and clapped their hands.

"Oh, Mr. Barnes, would you please come down in front & tell us all how a person

Can live ninety-eight years & not have an enemy in the world?"

The old golfer tottered down the aisle, stopped in front of the pulpit,

Turned around, faced the congregation, and said simply,

"I outlived the bastards."

Secrets to a long happy marriage

A old woman was sipping on a glass of wine, while sitting on the patio with her husband, and she says, "I love you so much, I don't know how I could ever live without you"... Her husband asks, "Is that you, or the wine talking?"... She replies, "It's me... talking to the wine."

Camilla bought a new pair of shoes for her wedding which got increasingly tight as the day went on. That night, after the festivities were finally over, she & Charles retired back to their room. Camilla flopped on the bed and said 'Please remove my shoes darling, one's feet are killing one.'
Ever obedient, the Prince of Wales attacked her right shoe with vigour. But It wouldn't budge.

'Harder!' yelled Camilla.

'Harder?' Charles yelled back. 'I'm trying darling! But it's just so bloody tight!'

'Come on give it all you've got, ' she cried.

Finally when it released, Charles let out a big groan, and Camilla exclaimed, 'Oh god, that feels so good!'

In their bedroom next door, the Queen turned to Prince Phillip and said, 'See, I told you she would still be a virgin with a face like that.'

Meanwhile back in the other bedroom, Charles was attempting to remove the other shoe when he cried out, 'Oh god, darling, this one's even tighter.'
At which point Prince Phillip turned and said to the Queen: 'That's my boy; once a navy man, always a navy man!'
