## Run Report – Pig (I think)

We went around the ground at the back of the oval 20k after 5k, ??? and along the shore - thru bush, up to the highway, down and under the bridge, through some streets and more bush and down to the Bottlo. Found bush infested?? Excellent Run -  
**Score : 8/10**

## Circle Report

RA waffled on about Scotsman William Carss buying this area in 1863, he became a prominent Cabinet Maker and Vintner. Had something to do with starting the Sydney Sailors Home for people like Slops and Dame Nellie.

## Birthdays

**Rabbit & Cameron – there was some conjecture as to who was the elder.**

## Prickette

Grewsome N Taxing - she told me that in 25 years of Hashing she had got used to the habit of travelling by public transport. Now living in SA she has to revert to driving to Runs.

Pig N Scotch Mist - he asked her if she was going to run tonight, probably not, then she was in the front leading the pack, even the TM. had to take a short cut to get in front

## Prick

Pig N SL - Left him on the run with nothing to do other than run up some hills and SL managed to go astray

Bingo N Stopcock - We saw this old man running along on the other side of the Highway, then we saw Pig and realised the old man was Sir Les

**Prickette** – **Scotch Mist**    **Prick** – **Stopcock** cause Duck wasn't in attendance.
