Run 1901 - 21/8/23

Hare: Grewsome – Location: Miranda

Starters Gun

Blondie drove the bucket into the very small carpark behind the Miranda Hotel tonight reminiscing ... many years ago she had her first B2H3 run from Miranda ... the main car park of Westfields where she parked closed before B2H3 had left the Hotel. Blondie got a lift home with Tickle and Dame Nellie and his push bike in Tickle's tiny car. Doc and Blondie returned the next day to collect her car.

Circle Report

After a group of immigrants from Lidcombe migrated to Miranda the Miranda Magpies club was established.

Disputes with the St George federation saw the Cronulla Shire Soccer Association start in 1802 and the Magpies have been the best club in the Shire since then.

Notable players include the Fraser boys, Grenade's granddaughter and Sir Les's grandchildren.

All Miranda Magpies players automatically support Western Suburbs Rugby League Football Club and can never change that support.

All the Spanish senorita's soccer players want to play for the Miranda Magpies.
