Run 1819 – 24<sup>TH</sup> January 2022

Hare: Sniffer Dog - Sylvania

## Starters Gun

Another Monday night saw the B2H3 diehards gather at Southgate Shopping Centre car park to stretch their legs and take in the sights of Sylvania, and again we had good weather, no rain and not too hot, unlike the previous Monday where the heat and humidity drove us into the pool like a gaggle of geese.

Prior to departing on the run, there was some all important discussion as to where to have the bucket, in the laneway that leads to the entrance of McDonalds or the car park up the ramp which we decided on, and we virtually had the area to ourselves, and enjoyed the views and pleasant breeze.

Welcome back to Taxing, long time no see, and Bowerbird and Cannon who are home after holidaying in Tasmania. Tasmanians can now take off their ear muffs, sadly Bowerbird is not so lucky.

## Run Review by Scotch Mist

Before the run I stupidly asked Grewsome who was the Run Reporter and he said you.

Beautifully laid out trail, great arrows, we could nominate our own checks. I was ably assisted by Cameron and Andrew. The map was easy to follow and at one stage the question rang out

A great dunny read coming your way again....

“Where’s Bingo” the reply came “She is with Blondie” and the runners agreed they would be okay and proceeded on. A score of 10 out of 10 for the arrows.

**Birthdays – Stopcock** – Our Birthday Boy has been walking on the planet for 75 years, staggering around for ¾ of a

Century.

**RA's Report** – Grewsome stood in as RA tonight as Cold Duck thinks he might Covid, more likely he is suffering from a hangover after celebrating too much over the weekend.

Anyway, moving on Grewsome then delivered the Cold Ducks' report.

## Sylvania

- Aka "Gods own Country" – home of the elite ! (That well known socialite couple Brian and Joanne East).
- "Sylvan" means wooded, or inhabiting the Woods – still plenty of wooded areas in the suburb, especially around our Pool !
- Thomas Holt, who pretty well owned the whole of the Sutherland Shire, built a house here in 1818 – this would have been the wilds back then.
- Sylvania Hotel opened in 1959, & was known as the most Modern in Australia – Dundee was at the opening

- It claimed, when it opened, to be “Australia’s only fully Air Conditioned Hotel”
- Patrons were entertained by “the fabulous Stan Bourne Show”, a six piece band, direct from the Gold Coast
- It had a 26 Room Hotel attached –now long gone.
- Dirty & myself went there in the late 70’s to see “Flowers”, who became Ice House with Iva Davies (Great Southern Land)
- It replaced a famous nightspot called Oyster Bill’s, which opened in the 1930’s
- It then became the Colony Club, which claimed to be the largest Nightclub in Australia
- And apparently, before Oyster Bills, in 1929, Australia’s first Motel was built on the site
- Famous residents :
  - o Angus Young from AC/DC
  - o Glenn Stevens, former Governor of the Reserve Bank
  - o Brian & Joanne East – Legends
- Average House Price \$1.7 Million

## **Prickette**

Grewsome nominated Sniffer Dog for having her “Hens Night” at this pub.

Hellismellher nominated Sniffer Dog for talking so much on the walk and not looking at the map and getting them lost.

## **Prick**

Scotch Mist nominated Stopcock for making the group feel nervous after Bowerbird’s run by getting a “Claytons” dose of Covid.

Merkin nominated Grewsome – turns up at the run, locks his kids in the car in this 30 degree heat. The kids are scratching at the windows – Father of the Year

## **Important Notice**

Your hard working Committee met recently and decided it was time to hold the AGPU and hand over the reins to a fresh Committee.

So here is your chance to take up a position on the new Committee. Don't be a wallflower, if you want to do your bit, step forward and offer to take on a role.

Since I started running with B2H3 some 12 years ago, I can think of several Hashers who have not been on Committee in that time, and also some who have been on Committee many times over in different roles.

So let's share the work around and not sit back year after year just reaping the benefit of other people's contribution.

## **AGPU - A Taste of Elegance ½ Formal ½ Normal**

We have tentatively chosen Saturday 19<sup>th</sup> March as the date for the AGPU - To be confirmed once we can get the venue that we want.

In the meantime you can get busy thinking about what to wear.

The theme for the night will be ½ formal ½ normal so dig out your tails and top hat to wear with your Hash shorts and thongs, or something like that.

A great dunny read coming your way again....
