

# Convict Trash

Run 1820 – 31<sup>st</sup> January 2022

Hare: Dundee - Loftus

## Starters Gun

To quote our RA, Loftus oval was known as a poofter's hangout and he has wondered why Dundee likes setting runs from this location so much.

With grey skies and rain threatens, the runners and walkers took off to explore the beautiful surrounding bush which was as lovely as ever. There is something so very nice about wandering through the Australian bush.

## Birthdays – Doublebanger and Grenade

**Age is something that doesn't matter, unless you are a cheese!**

"Buttercup recognized your car coming and ran off."

## Run Review by Merkin

Dundee set a run, didn't provide a map, but lots of toilet paper and chalk (blue). Duck fell over twice, and Sir Les once. I almost fell. Weather was kind to us

Score - 9 out of 10.

A great dunny read coming your way again....

### **RA's Report –**

#### **Loftus**

- Named after Lord Augustus Loftus, Governor of NSW in late 1800's
- 
- A fairly small suburb, only 4,133 residents, and not surprising 86% were born in Australia (typical Shire suburb)
- 
- Its only well known feature is the "Sydney Tramway Museum" paying tribute to the great old Trams of yesteryear.
- 
- The original Trams stopped running in Sydney in 1961. Of course we have them returning over the past few years, but not as romantic as the old ones
- 
- The Museum opened in 1965 at another location close by, and moved to its current location in 1988, as part of the Bicentenary celebrations
- 
- The building dates back to the 1880's.
- It is Australia's oldest Tram Museum (and the only one?) and the largest in the Southern Hemisphere
- Famous residents:
  - o Adam Hills, Comedian and Host of "Spicks & Specs"
  - o Warren Brown – Cartoonist

Average House price \$1.4 Million

## **Youth lasts much longer than young people think.**

#### **Prickette**

Sir Les nominated Moe Goa for not providing Duck with "nudie" magazines while he was in isolation recovering from Covid

Slotcard nominated Grenade – keeps skiting about her pool. How when she gets home, or gets hot she will hop into the pool.

## Prick

Merkin nominated Duck – you thank Moe for being such a good friend, bringing you coffee and fruit while you are isolating and Dirty is away, and you SMS her where is the run next week. Don't you look at the Website?

Duck nominated Merkin for not looking on the Website

Dundee nominated Merkin and seconded Duck – he doesn't look at anything

Ringless nominated Merkin for wearing a torn shirt and blaming Brazilian for getting around to mending it

**Next Weeks' Run Hare – Growsome – Peter Depena Park, Dolls Point On On there with Pizzas so bring along your chair and BYOG**

**"You here again, Carole?!"**

**AGPU - A Taste of Elegance ½ Formal ½ Normal**

The AGPU will be on Saturday 19<sup>th</sup> March at the Sylvania Bowling Club – yes the same place as our last AGPU.

The theme for the night will be ½ formal ½ normal so dig out your tails and top hat to wear with your Hash shorts and thongs, or something like that.
